August 2022 Newsletter Update—Welcome to a bumper August Millmerran Newsletter! It is fantastic to see so much content in this edition and along with a surge in business and individual membership of MCPI, the support of our local organisation continues to be strong.

The Millmerran Shop Local Competition was a huge hit and it was a thrill to ring the lucky winners and advise them of their windfall. Congratulations to winners on Week 1. Troy Hill, Week 2. Jackie Gutierrez, Week 3. Wayne Ernst. The final winners will be mentioned in the September newsletter due to publication dates. We thank our valuable participating businesses for their support of this campaign. MCPI is committed to keeping dollars in Millmerran and our community prospering.

During July I met with Federal Government representative Helen Black from AusIndustry

Entrepreneurs' Programme. Helen visited Millmerran to discuss her role of working with businesses or communities of businesses that may have been either directly or indirectly (e.g. through supply chain issues) impacted from the 2022 flooding event.

If you are a business in the Millmerran district that is not a Trust and has an ABN, please let me know via the number below and we can connect you up with the Strengthening Business team. Further information is on page 17 in this newsletter.

Tickets have gone on sale for the Australian Camp Oven Festival. Well done once again to the amazing team who organise this event which brings so many visitors to our town. On the first day of sales, over 800 campsites were sold and limited sites are now left! Plans are well underway for the Busking Competition to be held in Millmerran's main street on Friday 30 September. Entry forms are available online at www.millmerrancommerce.com or via email at millmerrancommerce@live.com.au and further details of entry requirements and prize money for the buskers can be seen on page 16 of this newsletter. This promises to once again be a great event and we look forward to welcoming a huge crowd to down town Millmerran. Further details in the September newsletter.

MCPI meetings will be held monthly in 2022 from February to December and will all be GENERAL MEETINGS to be held at the Catholic Church Hall, William Street, Millmerran from 5.45pm on the third Wednesday of each month. This is pending any changes to Covid regulations for meetings. Welcoming NEW MEMBERS to join the association and anyone to attend these meetings.

Next meeting will be 17 August, 2022, with invited guest Kate Unipan with an update in regards to INLAND RAIL.

This Month At Little Tackers

What a busy start to the month we have had at Little Tackers. We celebrated NAIDOC week throughout the centre with rock painting, stories, shirt decorating and much more. We were even lucky enough to display a collection of beautiful artwork from Christine Brown. Christine is a local indigenous woman with beautiful artwork that she started creating back in 2015. We would like to take this opportunity to thank Christine for letting us display her artwork in the centre, we really appreciate it.

We also kept very busy with our vacation care program over the school holidays. With excursions to the library, museum, sports centre, forage café and town park. All the children had a great time.

This month we will be celebrating Pyjama Day and Crazy Hair Day in the centre, so don't forget to dress in your cozy Pj's for the day on Wednesday the 20th of July.

In other news, we are on the lookout for new Educators. If you feel you may be suited to this role or you're wanting to further your career in the Early Childhood industry, please contact Miss Sue on 0746 952 999 or via email on

JESUS CHANGES WATER INTO WINE

(Read John 2:1-11)

This was the very first miracle that Jesus ever did in public. One day when Jesus was at a wedding, with Mary his mother, those that served the meal to the guests had a problem. They had no wine. Mary heard about this problem and told Jesus. Now, this wine was not the wine we might think of today, but it was freshly squeezed grape juice. In those days, the best and freshest wine was served first and then the older wine would be served later on into the feast. Jesus had not yet performed any miracles for others to see, but Mary believed that He would do something amazing, so she told the servants to obey whatever He told them to do. Jesus saw 6 clean stone waterpots, and told the servants to fill these up with water right to the top. Once they had done this, Jesus told them to serve it to the man in charge of the whole feast. He didn't know what Jesus had done, but when he had tasted the water which had changed into wine, he called the bridegroom to come to him. He told the bridegroom that this was the best wine he had tasted all night, and congratulated him on saving the best wine until the end of the feast, unlike those that served the worst wine at the end, and the best wine at the beginning. We can always expect the best from Jesus, when we come to Him with our problems. Did you notice that Jesus didn't need to check to see if his own miracle worked? Jesus knew what he had created, and let the bridegroom get the credit for the best wine of the night. How

Jesus Turns Water Into Wine

Complete the paragraph by filling in the blanks with the correct words from the word bank at the bottom of the story.

One day there was a _____ in the village of Cana in Galilee. Jesus' mother was there. Jesus and his disciples were guests also. When they started to run out of _____ at the wedding banquet, his mother told him, "They're just about out of wine." She then told the _____ to do whatever Jesus told them to do.

There were some water _____ there which held about twenty to thirty gallons. Jesus told the servants. "Fill the pots with _____." And they filled them to the brim.

"Now fill your pitchers and take them to the master of the banquet," Jesus said.

When the master of the banquet tasted it, the water had been _____ to wine. He was amazed at how good it tasted. "Most people serve the _____ wine first and when the guests have had to much to drink, they bring out the _____ wine; but you have saved the best until last!"

Dear Millmerran Community,

On behalf of the **Millmerran Junior Rugby League** we would like to update you on the current situation our club is facing.

Over the last few years the club has had a significant decrease in the number of player memberships. This year we have NO players registered under Millmerran Junior Rugby League. Millmerran players have either registered with Pittsworth Junior Rugby League or directly with Inglewood Junior Rugby League.

This is extremely disappointing for our football community and for the future of the Millmerran Club.

After the last Millmerran Junior Rugby League meeting was held, it was decided that **Inicka Lindenmayer, Deb Blinco and Rebecca Kirby** will hold the club open with no players this season and work hard to encourage families back to the Millmerran Club for 2023 season.

We will update the community when a date is set, in the near future, to hold a meeting and discuss the future of the club.

We cannot stress enough the importance of community support and players that the club needs. If this does not happen next season there will be no option but for the club to sadly close permanently! This would be extremely disappointing for our community, children, past players and members that have worked so hard for years to keep football alive in our town.

We kindly ask football families to seriously consider joining back with Millmerran in 2023 season.

We look forward to seeing all supporters at the upcoming meeting. Date to be advised shortly.

Kind Regards,

Millmerran Junior Rugby League.

Biosecurity

There is lots of talk at the moment about biosecurity issues in the bee & livestock industries.

Biosecurity is everyone's responsibility.

Weeds, pests and disease can be spread easily by vehicles, fodder, livestock & people movement.

How do we stop spread of disease, pests & weeds?

-Come clean, go clean. Before entering & leaving agricultural properties, parks or forests, other roadside areas ensure your shoes, clothing, vehicles or equipment are free from weed seeds, dirt, soil or debris. Roadsides are a harbour for weeds so it is important to try & not spread weeds from one area to the next. Try & use dedicated roadside pullover areas instead of random roadside areas with heavy plant growth.

-Get plants & insects identified if unsure of what they are. Knowing from the start if they are "good" or "bad" is easier than trying to eradicate an incursion.

-Report any unusual sightings. Biosecurity Qld 13 25 23 or local council.

-Check for & follow biosecurity zones & other movement restrictions - before moving certain plant material, animals, food products, soil & related equipment, ensure you are aware of & comply with any requirements in your area.

Homelessness Prevention Week 1—7 August

The experience of homelessness can be defined in many different ways and stretches across many cohorts of people, including people living in crisis accommodation, rough sleeping or those in temporary housing. Being homeless can mean more than not having a roof over your head and is not just one typical experience. Every Australian deserves to have a home.

On any given night—1 in 200 Australians are homeless. This staggering number includes women, men, children and families.

Mayor's Report

TRC_SEC_MAYOR_0822_MDN

Whilst I took a week off over the past month it has still been a busy period. At the end of last year, together with Cr O'Hara Sullivan and Cr McDonald, we farewelled a group of young Indigenous students at the Wellcamp Airport who were on their way home to Northern Queensland for the Christmas holidays. It was a moving experience given the excitement they demonstrated and the gratitude they showed to the private schools in Toowoomba.

In February I attended the annual Regional Organisation of Councils annual gathering in Townsville where I met their Leader and was invited to Cairns in July to speak about how we could give their students more opportunity to be trained in our Region. The discussion broadened to include post schooling opportunities, not only at USQ (that has been now rebranded to UniSQ), but also the opportunities at our TAFE College and the 25 private training businesses we have. There's a chance for our trained people to add value and skills to the Indigenous communities. We also discussed the chance for some of their staff to come to this Region to gain experience with our staff. I'm hoping Study Toowoomba will now make this happen.

During July we had a visit from Senator Carol Brown who is the Assistant Minister for Infrastructure in the new Albanese Government. It was a good meeting and we believe we'll be off to Canberra soon to hopefully meet the Prime Minister to give him an understanding of what we need in the Toowoomba Region. I am going to Canberra soon with the Mayors from SEQ but it's my view that the Deputy Mayor Geoff McDonald and I should make a special visit to see the PM and some of the senior Cabinet Ministers. There are a lot of things possible for our Region, but we'll certainly need funding from other levels of government to make it all happen.

A meeting of the Darling Downs and South West Council of Mayors was held in Goondiwindi in mid-July. There were 10 Mayors in attendance and they collectively represent a quarter of Queensland's land area, as well as a similar proportion of the beef cattle herd. Well over 60% of cattle in feedlots are also in our area and 70% of the State's grain production comes from this area. As Chair of the group, we discussed the potential for the Foot and Mouth disease to destroy the beef herd and the need for serious restrictions. We also had a presentation from Major General Jake Elwood who oversees the flood recovery and the Betterment

Program we hope will help us lift the bridge over the Condamine River.

Since the recent flood events occurred, I have had many complaints regarding road conditions in our regional areas. The reports I've received and the personal inspections I've undertaken, certainly endorse this feedback from residents. While the repeated nature of these extreme wet weather and flood events and a lack of guaranteed funding for local governments have certainly contributed to this situation, I think it's important to acknowledge these have been weather events unlike anything we have seen for many years. Due to the size of our Region, and the damage which has taken place, it will likely take 24 months for Council to undertake all of its flood restoration works. As such, I ask for patience and understanding from our community. Having recently spent time with our neighbouring Councils to the west and south-east, it's clear this is the same issue many local governments are also experiencing.

Some of you may recall the controversy surrounding the purchase and complete rebuild of the Empire Theatre almost 30 years ago. The Toowoomba City Council, by a margin of one vote, chose to rebuild the old theatre rather than demolish it. We celebrated the 25th anniversary of its opening and there was a strong sentiment of thankfulness to those who made this happen. The management model for the Empire Theatre, in the way it allows community involvement, is also part of the success story.

On a very sad note you may have seen that we lost one of our young highly valued employees in a tragic accident just east of Pittsworth. Jared's story was inspiring. He received part of his education through 'Flexi School', which is a school that provides opportunities for our youth. He began a course at TAFE focusing on water treatment and management. He then later got a job in Council's Water team and was an exemplary employee. We will certainly miss him. Our thoughts and prayers are with his family.

Till next month,

Cr Paul Antonio
MAYOR, Toowoomba Regional Council

Flood Impacted Businesses (direct or indirectly affected)

Strengthening Business

Is your business in a location impacted by the 2022 Queensland and New South Wales flood emergency?

Strengthening Business connects you with experts to help your business recover; become stronger, more resilient and better prepared for the future.

What do you get?

You'll be paired with an independent facilitator. Your facilitator will recommend ways to strengthen your business systems, operations and strategies.

They'll identify opportunities to improve your business, with a roadmap to get you back on track.

Who is this for?

Small businesses located in Queensland and New South Wales impacted directly or indirectly by the 2022 flood emergency

Your facilitator will work with you to address the challenges and opportunities your business now faces.

You'll get a roadmap with strategies and goals to achieve in the immediate, medium and long term.

How we will help you

Strengthening Business will connect you to a dedicated facilitator who:

- is a local, independent expert, with private sector expertise
- has extensive networks across national, state and local government
- understands your region
- will advise on what it takes to run a successful business in your industry and help you assess the gaps in your business knowledge.

Who is eligible

You can apply for if you

- have a current ABN
- are not a trust
- are in one of the locations impacted by the 2022 flood in Queensland and New South Wales.

These locations have been determined in consultation with the National Recovery and Resilience Agency (NRRA) and relevant state government organisations.

NEW LIBRARY EXHIBITION FROM 2 AUGUST

Lyndell 'Tooty' Bowden

Brookstead local, Tooty, was born and raised in Millmerran. Her passion for painting on fabric and quilting as well as water colours will be on exhibit in the Kenneth Macqueen Foyer Gallery at Millmerran Library every Tue, Thu and Fri until 4 October. Be sure to put comments for Tooty's beautiful artwork in the visitor's book when you take the time to stop by.

Millmerran Hospital Auxiliary

At the last meeting the purchase of an Imop was approved. It should make the cleaning of the floor's somewhat more accurate and easier. Just one of the ways your local auxiliary is supporting our hospital.

Many thanks to everyone in our community who support us either through donations or the purchase of a raffle ticket or any fund raiser that the auxiliary is involved in. Every little bit helps and it is much appreciated.

The **August meeting is the AGM and it is going to be held on WEDNESDAY 17th August at 1pm at 43 SALEYARDS RD.** Please note the change of day and the meeting place. Any new members are most welcome to come along and join this wonderful community group.

Forest Pines Rural Fire Brigade

Another big month our carport is established and frequently used, we have a big map of the area for public viewing in the carport.

Our recent purchase of our generator is up and running we are very pleased to see it going. Our donga is 3 parts finished just waiting for the drop off of the actual Donga itself, the wiring and plumbing in, then we can start planning our open day.

Captains Mountain Roadhouse is almost there, I have been watching the workers it will be great when it's officially open.

We have had a couple of call outs this month it's still too wet to burn but ideal

Time for piles if you need a permit contact us.

Mission Statement - We seek to be a multi-generational church with Jesus central to our beliefs. As Disciples of Jesus, we serve and connect to the vulnerable and marginalised of our society, offering a sanctuary for the broken and sick, a place where people are nurtured and cared for. We believe our church is given to the Holy Spirit, making us a Spirit-led church. We invite you to become part of our family because we are part of God's family through GRACE.

What to Do About Fear

Hullo Millmerran! I know we've talked about fear before but, in today's world, fear seems to be defeating more people than any other one thing. So I think it's worth looking at it again because I believe God has answers and help for anything that tries to negatively affect us.

The devil has certainly worked overtime in the last couple of years to lock the whole world up in fear. And he's used our own thoughts, any discouraging circumstances and startling headlines that have aroused panic to keep people that way.

My heart certainly goes out to any who have felt imprisoned by fear because fear can be such a paralysing and debilitating thing. But fear is not God's plan for anyone.

So what does God have to say about it? How does He want us to live unbound by fear and its torment? Thankfully, the Bible is full of His instruction and encouragement for us.

As we look at the challenges and circumstances that confront us, it can be downright scary. So where do we start? Well, there are two things I want us to look at today...our thoughts and our words. These are two areas we need to keep a check on because fear begins in our thoughts and is confirmed in our words.

Do you find yourself thinking or saying things like, *Oh that worries me to death* or *I'm scared stiff* or *I'm just a worry wort*?

Too many allow their thoughts to wander to anywhere or to anything they want to go. If you want fear in your life to skyrocket just start thinking on all the things you are afraid of or anxious about.

But we're encouraged in Isaiah 26:3 to keep our minds stayed or fixed on God and He will keep you in perfect peace. So if we want to experience complete peace in our lives and complete peace of mind, we have to keep our minds and its thoughts on God and what He says to us in His Word, particularly the New Testament which is most applicable to us today

Our words are very important and so powerful in defeating fear in our lives. Read through what Jesus said in Matthew 6:25-31 and you'll notice the power of our words. *Jesus said, do not worry, saying...* He's telling us that we feed and fuel fear by saying words loaded with dread and panic and thinking thoughts that are focused on worst case scenarios.

God's Words to you in the Bible will give you courage, strength and free you from dread and fear. God's plan is for our minds to be at peace. Remember Isaiah 26:3 gives us the confidence that, *He will keep us in perfect peace whose minds are stayed on Him...*

Is Your Bible Pure? - Part 1

The Holy Bible is the foundation for true Christianity. It is the book that God put together, penned by the hands of the 40 odd men He chose to write it, over a period of about 1500 years. No book has ever been written like it, nor will one ever be able to come close, because it tells us about the wonder and majesty of a mighty and powerful God, whose love and mercy we cannot fully comprehend. In His book there is no error, there is only marvellous truth, and that without contradiction. The wonderful words from God inform us of how the world was created, how mankind came into existence, and the birth of early nations as they formed across the globe. They contain the events of Christ, the prophesies before he was born, His earthly ministry, followed by the growth of His church, and the evangelising work of Paul and others throughout the known world. We can read of the purpose of our life, the reality of eternity, and the options of how we can choose to spend it. The Bible is filled with stories, history, parables, commands, proverbs, laws, instructions, principles and the consequences for obedience and disobedience to these. I could go on and on about the greatest book in history but I will run quickly out of room. No other book has claim to be as popular, to have been placed under as much attack, nor so widely read across the world, as the precious Word of God. There are very few books people would die for, yet millions gave their life because of their love for God, and their belief in His scriptures as absolute truth.

Now, there may be some statements in the previous paragraph that you may not agree with. However, the reason why I can write things with such assurance is because of verses like the ones above in conjunction with others like... Num 23:19 "God is not a man, that he should lie; neither the son of man, that he should repent: hath he said, and shall he not do it? or hath he spoken, and shall he not make it good?", and Tit 1:2 "In hope of eternal life, which God, that cannot lie, promised before the world began". Also we could use 2 Pet 1:20-21 "Knowing this first, that no prophecy of the scripture is of any private interpretation. For the prophecy came not in old time by the will of man: but holy men of God spake as they were moved by the Holy Ghost." The Holy Ghost guided people to speak on the behalf of God, and the result is the scriptures we have today. God cannot lie, therefore it is not that He chooses not to lie, but rather lying is something that is not possible for God to do. God is perfect, and there is no sin in Him at all, so we can rest in the fact that whatever He says will come to pass whether we choose to believe it or not. Therefore, for me to think, believe or even consider there to be any error in the words of God, then I have called God a liar, I believe He can sin, and God is unable to do what He promised, which was to preserve His word like the verse says above. What a danger that is to me to allow such thoughts to enter my mind, because I have denied the purity of the words of God, and one day I will stand before Him and give an account of what I believe, as all mankind will. (Heb 9:27/ Rom 14:11-12)

So, the next thing to consider, would be this - "Is MY Bible pure? You see, not all Bibles are the same, therefore if we have a Bible that does not have the same words as what God prepared and preserved for us to read, then it must be impure. God has preserved his "very pure" words, and no one has the authority to tamper with what belongs to God. Truth is truth, and to add anything or take anything away from truth, will only make it untrue. Next month, I will begin to show how we can know which Bible is accurate, and the dangers of how

Ministers Association

Millmerran

There will be an Ecumenical Service in the Uniting Church commencing at 7pm on the 7th October. Music supplied by the Uniting Church. Good music, good companionship, come and join us.

Next meeting will be held in the Presbyterian Church at 10am on the 9th August.

The Bible mentioned that sins that we have committed, when confessed and given to our Lord Jesus Christ, will be forgiven and never to be mentioned to us again. Heb. 8:12

But for many of us, we bring them back to our attention, we examine them, we build a huge mountain of them, and then, we indulge in a bag full of distress and remorse. We must remember that what's done is done and cannot be undone. We must do as the Apostle Paul did, "forgetting those things which are behind, and reaching forth unto those things which are before." We must "press toward the mark for the prize of the high calling of God in Christ Jesus." As it is written in Psalm 103:10-12, "He (Jesus) does not punish as we deserve or repay as according to our sins and wrongs. As high as the sky is above the earth, so great is His love for those who honour Him. As far as the east is from the west, so far does He remove our sins from us." So, give them all to Jesus and leave them there. Let peace enter your heart and mind. Not the peace that the world promises and doesn't have to give, but the Peace of God that surpasses all understanding. How to get that peace? Simple! By prayer. Invite Jesus into your heart and He will give you the Holy Spirit who will guide you on the path of Righteousness, empower you and transform you into Jesus's own image. That's when you'll find that peace, "His Peace" as He calls it, no matter what the world's circumstances may be. Come and dig into the Word of God every Saturday, 10 a.m. Warwick & Geny Ministry. JESUS IS LORD FELLOWSHIP 25 Koala Drive Cypress Gardens Qld.

Jesus said that we must be Born Again to enter the Kingdom of Heaven.

What did Jesus mean and why must we be born again?

We all inherited a sin nature because of the disobedience of first man Adam.

This first sin infected all mankind and separated man from God. This is called Spiritual Death.

God loves us so much and does not want anyone to stay in this lost position.

So God became a human being, lived a perfect life and then gave His Life as a Sacrifice to redeem Mankind.

At The Cross, Jesus atoned for all the sin of man and then rose from the dead and ascended back to Heaven.

Whoever will believe that Jesus died for us and then rose from the dead will not perish but will have Eternal life.

When we believe that Jesus Loved us and died for us then we are baptized into His Death.

And as Jesus rose from death then we also rose with Him into New Life.

We are born again by God by His Grace through Faith in what He has done for us.

The Bible is The Word of God. The Bible is truth. Read The Gospel of John.

JOHN 1:1 In the beginning was the Word, and the Word was with God, and the Word was God. **2** He was in the beginning with God. **3** All things were created through Him, and without Him nothing was created that was created. **4** In Him was life, and the life was the light of mankind. **5** The light shines in darkness, but the darkness has not overcome it.

JOHN 1:14 The Word became flesh and dwelt among us, and we saw His glory, the glory as the only Son of the Father, full of grace and truth.

JOHN 3:16 For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish, but have eternal life. **17** For God did not send His Son into the world to condemn the world, but that the world through Him might be saved. **18** He who believes in Him is not condemned. But he who does not believe is condemned already, because he has not believed in the name of the only begotten Son of God. **19** This is the verdict, that light has come into the world, and men loved darkness rather than light, because their deeds were evil. **20** For everyone who does evil hates the light and does not come to the light, lest his deeds should be exposed. **21** But he who does the truth comes to the light, that it may be revealed that his deeds have been done in God.
