November 2023 newsletter update.

Here we are into November and we all still pray for rain soon. To begin this month's update I would like to address the Millmerran Newsletter change of delivery. In the interest of our valuable newsletter advertisers, as well as a timely circulation for our readers, it was decided in October to cease delivery to street mailboxes. This means that as soon as the newsletter arrives in town, it can be delivered to the many distribution points around town where residents are able to pick up a copy. MCPI has purchased newsletter stands which can be found outside some businesses in Campbell Street and publications will still be available in the post office alcove. We are working with the Post Office to see if we can continue to have the newsletters delivered on the 3 rural mail runs. Watch this space.

The past two months have been extraordinary for events in town with many visitors frequenting our businesses. Recently MCPI Vice President Brenda Gillespie, Secretary Nola Schaumburg and I closed the 43rd Caravan Clubs of Qld 2023 State Rally which saw 130 caravans spend a week at the Showgrounds. With the five recent events, we have a conservative estimate of an extra 2000 people visiting our town. Thank you to the volunteers who organised and helped make this all happen!

By now everyone would have driven past the new MCPI signs on the four entrances to town, well there are 3 as one was stolen on the second night of installation. There has been an incredible outpouring of support from our community regarding this theft. We were so disappointed as these banners have been an ongoing project for over a year and it took a great deal of effort and time to get them through the Council process. The idea of these banners is to alternate them with other organisations who would like to promote themselves and invest in 4 banners. They would still be "Welcome to Millmerran" signs with wording from the said organisation. This gives Millmerran an inviting feel and encourages visitors to stop and support our businesses. Thank you to Sinclair Carpentry, Todd Sorensen and Brenden Cann for donating their time and expertise to the installation of these banners.

The MCPI AGM has been held and I would like to thank the incoming Management Committee for joining me in what will be another great year ahead. They are:

President Nikki Macqueen; Vice Presidents Mary Tosswill, Roselle Crellin & Brenda Gillespie; Secretary Nola Schaumburg; Treasurer Natasha O'Hanlon; Committee Member Jan Fitzgerald. Thank you to retiring Treasurer Steve Reid who has been a great support to MCPI and took on the Treasurer role when we needed someone to step up.

The next MCPI meeting will be Wednesday 15 November at the Catholic Church Hall, William Street, Millmerran – 5.30pm for a 5.45pm start.

The 43rd State Caravan Rally held in the Millmerran Showgrounds from 10-16 October 2023 has sadly come to an end.

On behalf of Caravan Clubs of Qld and its affiliated clubs, I would like to thank Millmerran and its surrounds for making the caravanners feel so welcome during their stay in your beautiful, friendly town. We came into contact with so many community groups during the Rally and I can't thank them enough for the generous giving of their time and effort to provide the various activities and meals for us. Without the support of such groups, our Rally would not have been the success it was.

We leave Millmerran with many fond memories of good times had thanks to all the Community Groups and Businesses we came in contact with – too many to name here – but please know that your support and assistance with our Rally was very much appreciated.

Thank you so much Millmerran!

Dear Millmerran Community,

It's hard to believe that we're already in the last term of 2023. The term has started off incredibly busy, with our students participating in a week-long swimming program that concluded with our annual St Joseph's Swimming Carnival. Congratulations to all the competitors who did an amazing job representing their respective school houses. Our Year 5 and 6 class had an excellent start to the term by attending their annual camp. This year, our students journeyed to Lennox Head, where they engaged in a variety of beach and lake activities. The students had a fantastic trip, thoroughly enjoying all the activities, and they particularly relished the 'Tree Top Challenge' at Currumbin on their journey back.

Term 4 will undoubtedly pass by quickly as we approach year-end celebrations, including Awards Night and the End of Year Mass.

2024 Enrolments

Our classes are filling up quickly, and we recommend, that if you haven't already secured your 2024 positions, that you do this ASAP.

Until the next newsletter,
God Bless,
Mr Lawson Short.

LET US SHOW YOU WHAT ST JOSEPH'S HAS TO OFFER YOUR CHILD!

PCQ State Championships 2023 – Hosted by Millmerran Pony Club

Wrapped Up

After many months of dedication, hard work, blood, sweat and tears; The 2023 Pony Club Queensland State Championships – hosted by the Millmerran Pony Club – has been and gone with blazing success. We have not only the dedicated members of the club but also the community to thank for their generosity and helping hands throughout the entire leadup and execution of the event. Without our sponsors, volunteers, cattle donors and the local community, an event of this calibre would not have run so smoothly.

Over the 4 days of competition, all of the Millmerran Pony Club riders that participated in the competition rode to the best of their ability, sharing their trials and tribulations with the rest of their pony club family. Our very own Bella Sauverain was awarded with the prestige Percy Bishop memorial trophy. This honour is awarded to the rider with the highest points over the four days of competition who rode the same horse for every discipline, in honour of the late Percy Bishop, one of the founding members of Pony Club Queensland. Congratulations Bella. A full list of results for each of the Millmerran Pony Club Riders will be released next month, so keep your eyes peeled!

During the competition, we also had the opportunity to honour an integral part of our Pony Club, one of our founding members and club patron, Mr John Moffatt. It was truly an honour to be able to present Mr Moffatt with life membership to Pony Club Queensland, a title truly deserved by such a devoted member of the club.

Overall, the event was very successful, with everyone leaving with their fair share of bragging rights and an ear-to-ear smile on their face. Competitors came from far and wide to attend our event, from Gladstone to Gloucester and we are pleased to say that everyone was excited to come and support the community, even arriving early and leaving late just to soak up some extra time in our beautiful little community. Again, we wouldn't have been able to achieve such a successful event without the support of the community, and we thank you immensely for your support and dedication over the past few months, ensuring that this event was run successfully.

This is an annual event involving the growing of moustaches during the month of **November** to raise awareness of men's health issues, such as prostate cancer, testicular cancer, and men's suicide.

The **Movember Foundation** runs the Movember charity event and the goal of Movember is to "change the face of men's health."

By encouraging men (whom the charity refers to as "Mo Bros") to get involved, Movember aims to increase early cancer detection, **diagnosis** and effective treatments, and ultimately reduce the number of preventable deaths. Besides annual check-ups, the Movember Foundation encourages men to be aware of family history of cancer and to adopt a healthier lifestyle. Using the moustache as the driving symbol of the movement, Movember focuses on the three key areas of **prostate cancer**, **testicular cancer**, and **mental health & suicide prevention**.

Thy rod and thy staff

They comfort me.

Psalm 23 (continued)

The 2 essential pieces of equipment always carried by middle-eastern shepherd is a staff and a rod. The rod is chosen from a sapling and fashioned to suit the hand of the shepherd who will use it. Where the base of the sapling meets the roots, the rod is generally left thicker and a grip is moulded into the shaft to suit the shepherd's hand. This rod is used to gently inspect the sheep by parting the wool so injuries, parasites, or other health problems can be diagnosed. It is also used to correct the sheep that wish to consume a food source that will harm them, or guide a sheep that is wandering off the path. And it is a weapon used to defend the sheep against predators that wish to harm them. Remember that in this Psalm we are the sheep, and the Shepherd is God Almighty. His rod is the Word of God. The Word of God inspects us. It lays bare to us and the eyes of the Shepherd all those nasty things that are infecting our life, revealing what needs to be removed, and in need of mending. (Psa 139:23 Search me, O God, and know my heart: try me, and know my thoughts: 24 And see if there be any wicked way in me, and lead me in the way everlasting.) The Word of God corrects us when we get into sin. It warns us of what we ought not to get involved in, or harmful to our life. (2 Tim 3:16 All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: 17 That the man of God may be perfect, throughly furnished unto all good works.) The Word of God guides us back onto the right path when we wander off and try to do things out of the will of God. (Psa 73:24 Thou shalt guide me with thy counsel, and afterward receive me to glory.) And lastly, the Word of God is our defence. It is the sword of the spirit that is our spiritual armour to protect us from the evil tricks and attacks that Satan uses to destroy our life, harm us and consume our loved ones. (Eph 6:10-17). Praise God we can have God to shepherd us. What a blessing the He's given us the Bible to help us every step of our way. Is God your shepherd? Do you allow His Word to impact your life? He loves and cares for His sheep. Are you one of them?

Luke 16:19-31 Jesus told a story about a rich man who was clothed well and ate well everyday. Outside his house was a poor man who had nothing but the crumbs from the rich man's table to eat. This went on until the 2 men died. The poor man went to a place of comfort and the rich man went to a place of suffering. It seemed that after their death they got the opposite of their life on earth. The rich man called out in his pain and asked for just one drop of water because he was so hot, but he was told that no-one could reach him. The gap was too great for someone to come to help him. All he could hope for was that someone would warn his family back home to not come to a place like this. What a sad story. He only ended up there because he trusted in his riches and didn't put his faith in God to save him before he died. The poor man did, which is why he was comforted after death. What are you trusting in to keep you safe after you die? Only faith in Jesus will save us.

LYNDALL CHANDLER // CHURCH 4357

Mind Games Continued...

How are you doing? Do you wonder why at times you can be so moody and negative or overreact to the smallest things? Ever wonder why your emotions can be so stirred? I have an explanation I believe will help us.

The Bible tells us that the enemy, yes that's Satan, has laid snares with which he tries to trap us and neutralize our effectiveness in life. The Bible also encourages us we are not to be ignorant of the devil's schemes, instead we are to be armed and dangerous! Are you ready to take back your life?

Would you like to be more than you are? Many of us would. Ever wanted your life to be different or to rewrite the chapters of your life? Ever wondered if God actually does have a plan for your life? Well, good news...He does and you can. You can change your life.

Change is part of God's plan for us...all of us.

We read in Psalm 18:24 *God rewrote the text of my life when I opened the book of my heart to His eyes.* How does God do that? Just how does He edit and transform and rewrite the text of our lives?

As we talked about last week, Paul in Romans 12:2 tells us how. Remember we read, *Don't become so well-adjusted to your culture that you fit into it without even thinking. Instead, fix your attention on God. You'll be changed from the inside out.*

Paul is telling us we can be transformed by changing the way we think. This word *transformed* comes from the Greek word meaning metamorphosis, a radical change. So Paul uses this word to describe the process through which we are transformed. And that process is to be radically changed in our thinking.

Paul encourages us to, Let God change you by renewing our minds with His thoughts. This *renewing of our minds* means to think as God thinks. As we renew our minds, He transforms our lives.

In real life, this means we make a choice to give our attention to God's Word every day. We intentionally study the Bible to learn and understand more about God, what He's like and how He operates. We make time to soak in His Word and discover how His kingdom works and how to cooperate with it. We purposefully read the Bible to really get to know the character and person of our Father, Jesus and the wonderful Holy Spirit. When we do that, God does the work of editing, rewriting, and transforming us!

Just what is it about the Word of God that is so powerful? Hebrews 4:12 (AMPC) tells us. *For the Word that God speaks is alive and full of power [making it active, operative, energizing, and effective]; it is sharper than any two-edged sword, penetrating to the dividing line of the ^lbreath of life (soul) and [the immortal] spirit, and of joints and marrow [of the deepest parts of our nature], exposing and sifting and analyzing and judging the very thoughts and purposes of the heart (AMPC).*

God is speaking to us. When we read the Word we hear His voice. And His words can set things right that feel upside down. Every word that He speaks carries His life in it and as we connect with His words we connect with His life.

Let the baggage of the past become history today. As you renew your mind, let God renew your hope and you'll begin to experience the joy of living like never before. And step into a fresh start and a renewed love for life

Change is part of God's plan for us...all of us.

Change that will walk us into victory.

WITH YOUR POWERFUL ARM YOU PROTECT ME
SUCH WONDERFUL KNOWLEDGE IS FAR ABOVE ME

YOU WOVE ME IN MY MOTHER'S WOMB

Frequently prayers are prayed desiring world peace. Anyone that understands the Bible will of course realise that this won't happen until Jesus returns. In the meantime, we can pray for those experiencing conflict, as well as helping in practical ways as the opportunity arises. We can do this through our donated time and resources. Sometimes however the battle we crave victory over is the ongoing challenges and personal difficulties that we face as we struggle to find that inner peace. Reading the Bible can bring comfort and healing as we meditate on the inspired passages, designed to give us answers and hope, now and for the future.

'You will keep him in perfect peace, whose mind is stayed on you.' Isaiah 26:3

Casting all your cares on Him, for He cares for you.' 1 Peter 5:7

'Come to me, all you who are weary and burdened and I will give you rest.' Matthew 11:28

A father went to visit his son in hospital. He found him near to death. "You must not die," says the old man, "I've brought you money so you shall have everything you need to recover. And when you are strong again, I will take you home." But the son shook his head, and no hope could be seen in his eyes. The father's heart sank, and he turned away to hide his tears. Then, he opened his knapsack and took out a loaf of bread. Breaking off a piece, he gently placed a crumb on his son's mouth. After a moment, the sick soldier swallowed it, and soon, he opened his eyes and whispered: "More, give me more!" Your mother made it," said the father. "I know" he replied, "it is good." The father then laid the little loaf on the bed, and the poor hungry soldier took it up in his hands and began to eat, with tears rolling down his cheeks. From that hour, he steadily grew stronger.

Are you faint with hunger? Jesus, the One who can command the stones to become bread, is here, near you. He is "the manna" for the hungry.

He fed the Israelites with it daily for forty years, during their exodus to the promised land. He is the Bread of Life and "...he, that eats of this bread shall live forever". John 6:58. It is through eating that we live physically and spiritually. Let us offer you a piece of the Bread of life, of comfort and of love. Eat it, and like the dying son, you shall cry "more, give me more".

Jesus loves you, and He
surely can save you right now.
Come and eat!
