We sure have hit the ground running for 2024! The TRC Council elections are set to take place on Saturday 16 March and MCPI have organised a Councillor Forum at the Millmerran Cultural Centre on Monday 11 March, 6.30pm to 8.30pm. All the nominees are listed on the front page of this newsletter. This forum is the place where you will get to hear from the nominees themselves and make an informed decision as to who you will be voting for.

The Factory Dam restoration by TRC has come as a surprise and MCPI has lodged a submission with our recommendations to do with this upgrade. The Domville Place plans are still in the hands of TRC and we follow this up every chance we have. There was a Councillor information meeting to do with this in February and we are now waiting on the results of that. In January there was also a Councillor information meeting regarding the Qld Railway land behind Campbell Street where water runs from during heavy rainfall and floods the shops. We have followed up on the outcome of this meeting and are waiting for a response.

Vice President Roselle Crellin and I met with representatives of Genex in February. We look forward to when Genex and the construction company PCL visit Millmerran for a community forum in April or May as there will be many questions raised and answered.

Vice President Mary Tosswill and I met with TRC Library personnel Tahnee Pearse and Amy Mann in February. We were hoping to receive good news regarding the extension of library hours to 5 days per week however we were told the review, which was due to be completed at the end of December 2023, will not be until May/June 2024. In the meantime our library has a number of programs and activities for the three days per week that it is open and it was pleasing to see that a Justice of the Peace (JP) visits every second Thursday from 10am to 1pm. Our fight for the reopening to 5 days per week continues for a few more months.

In February I was invited to be the guest speaker at the Millmerran Senior Citizens AGM and the Millmerran Arts Council AGM. Both of these community groups are doing such a good job bringing likeminded people together and it was a pleasure to be asked and speak of the work MCPI does.

At the January Darling Downs Alliance meeting that Vice President Mary Tosswill and I attended in Toowoomba, we spoke to the Mayor, Deputy Mayor, 6 Councillors and 2 Council Representatives about issues facing Millmerran which include storm water drainage, event funding, response timelines, Domville Place update, contract mowing and community communication.

Finally, the MCPI Management Committee would like to acknowledge and congratulate Roselle Crellin on her 2024 Australia Day Citizen of the Year Award. Roselle is an integral part of our MCPI team, as well as the many other volunteer roles that she does within our community. I personally would be lost without her and I am thrilled that her contribution has been acknowledged at such a high level. Congratulations to the other winners on the day: Millmerran Quilters, Australian Camp Oven Festival and Gary Fogarty.

Wishing the Millmerran Show Society all the best for a great weekend on the 2nd and 3rd of March.

The next MCPI General Meeting will be Wednesday 20 March at the Catholic Church Hall, William Street, Millmerran – 5.30pm for a 5.45pm start.

We are working with the DDM Rabbit Board to preserve the old Gray's Gate Rabbit Hut.

After the loss of the Western Creek hut we are on a mission and in talks with the Rabbit Board to jointly manage a way forward for the site. They have requested the building be off-limits for now as it is structurally unsafe. What a lot of publicity it's had from the ABC particularly, and 7NEWS and social media. Thank you for your likes and commenting.

The historic Yandilla Station Bell has arrived. Grant has started a Significance Assessment and it looks like it could be older than we first thought. Thank you Millmerran State School for handing it over to us for preservation. Did you know it is 100 years since the school commenced in its current location on 1 Feb 1924. Stay tuned for an Open Day event in the next few months.

Yallambee

Hello from Yallambee!! We have been out and about this past month having lots of fun along the way.

A fun day was had by all when we went to the Millmerran Museum, talk about Memory Lane!!

Christine & Viv were such lovely hosts and we would like to thank them and Edna for a lovely morning tea.

We will be back! We have a lot more residents to bring through.

We were also blessed by the Yallambee Bargain Boutique again as they purchased us a “Lifestyle Trolley” that will be filled with products & bits & pieces such as hankies, batteries, hand cream, etc that the residents may require. We would like to thank them for their ongoing support.

The Yallambee Auxilliary are also very generous in supplying us with the products to stock the trolley. Thank you Ladies!

We went on an outing to the Oakey RSL Morning Melodies to see Cathy Drummond performing, it was a great day out. We met up with McLean Care CWA House from Oakey and met a few new friends. We had morning tea and decided to also stay and have lunch, Yum! This is held on the 2nd Tuesday of each month and we will be going back so that all of our residents that can go, get the chance to.

Again this month we have welcomed new residents, most of them are locals. So if you know any of our residents, please feel free to pop in and say “Hi”. We love visitors 😊

Just a reminder, when you pop in we will give you a RAT to make sure that we are keeping our residents as safe as we can.

Sadly, we have had to say a few sorrowful goodbyes to some of our resident family, its never easy. Rest In Peace

Until next month.....

At C&K your child will feel safe, make friends and belong. We focus on nurturing your child's curiosity, building their resilience and developing their confidence –all through the joy of learning through play.

We would like to begin this month by welcoming our families for 2024 - lots of new smiling faces and several returning ones. With the warm weather the children have been able to spend large amounts of time outside involved in water play. Hopefully you enjoyed our entries in the Millmerran Show –an exciting time of year for our town! We look forward this year to continuing our partnership with Landcare, and regular visits to the town Library and Yallambee.

Free Kindy –we still have FREE places available for four year olds –those children aged at least 4 years of age by the 30th June, in the year before they attend Prep. Fee paying positions are also available for the pre-Kindy year. Email or give us a call to find out more.

To access these grants and other drought support measures including no and low interest loans, producers will need to have a **Farm Business Resilience Plan**. To assist producers with this, the Department of Agriculture and Fisheries Queensland (DAF), Rural Solutions Queensland Inc (RSQ) and Queensland Rural & Industry Development Authority (QRIDA) invite you to a workshop to learn more about the new policy, how to apply and to discuss drought management ideas for adoption and funding.

This program is jointly funded through the Australian Government's Future Drought Fund and the Queensland Government's Drought and Climate Adaptation Program.

Forest Pines Rural Fire Brigade

We have recently acquired a new light attack vehicle for our brigade. This vehicle will significantly enhance our capabilities in responding to emergencies. We will be conducting thorough training sessions with our team members to ensure they are proficient in operating this vehicle.

In addition to the new vehicle, I would like to bring your attention to the shed upgrades that have taken place recently. We have made significant improvements to our shed facilities, including the installation of new flood lights. These lights will greatly enhance visibility during night time operations, enabling us to respond to emergencies more effectively.

We are committed to continuously improving our facilities and equipment to better serve our community.

2x2x2 are still permitted without permits, if you would like use to burn off your property in the Forest Pines area please contact Craig or myself.

Meetings are on the 3rd Sunday of the month at 10am.
Training Wednesday nights at 7pm.

Usually a SAUSAGE sizzle is on offer on these nights.

Australia Day Awards 2024 continued from page 17

Millmerran/Cecil Plains Community Event Award. There was 1 nomination received in this category, **the Australian Camp Oven Festival, Millmerran**

The Millmerran community can be justifiably proud of the 25-member Australian Camp Oven Festival (ACOF) committee members who work hard to deliver an iconic, regional event.

In a sign of their dedication and drive, the committee delivered the 2022 festival in the year after the 2021 festival, which had been postponed due to Covid-19.

Despite the break from the biennial timing, the committee delivered under extra pressure. There were additional Covid protocols to introduce and enforce, along with the added problem of wet weather. Undaunted, the volunteer committee showed their resolve and can-do attitude by delivering another outstanding event.

The committee volunteers are responsible for every aspect of the festival, starting with the event planning, working on the merchandise/information stands, welcoming guests at the gate, overseeing parking, general safety, marketing and even stoking the coals for the campfire.

The committee also manages the 140-plus event volunteers, who come from across the country, to assist with staging the festival.

The committee works hard to achieve several important objectives, including increasing overnight visitors and spending in the Millmerran district and the wider Region.

The festival is designed to increase Millmerran's profile and appeal as a tourist destination by developing quality and authentic visitor experiences, along with encouraging community pride.

The festival proudly adopts a 'buy local' policy for all event-related expenditure. They are committed to supporting local suppliers.

True to its objectives, the 2022 ACOF saw multiple benefits delivered to Millmerran clubs and societies, including the Show Society, Millmerran Landcare, Cecil Plains Progress, Cecil Plains School P&C, Brookstead School P&C, Pittsworth State High P&C, Wylahra Progress, SES, Millmerran Men's Shed, Millmerran Hospital Auxiliary, Millmerran Lions Club, St Joseph's School P&F and the Catholic Church group, Millmerran State School P&C and the Scouts.

Millmerran/Cecil Plains Cultural Award – There was 1 nomination received in this category, **Gary Fogarty**

Gary is a leading Australian bush poet, who has been recognised for his devotion and passion for the artform for more than 30 years. He has published four books and released three CDs.

He is a two-time winner of the prestigious Golden Gumleaf award and has been a finalist seven times.

His connection to his subject has seen him selected twice to compete at the world championships of performing arts in Hollywood, USA.

Gary donates his time and talents to at least five charity fundraisers annually.

He is continually promoting Millmerran and the Australian Camp Oven Festival wherever he is engaged to perform.

Gary has accomplished all this while coping with chronic pain following a car accident. He is continually mentoring new poets and judging poetry competitions.

He has earned a reputation as one of the most popular comperes/announcers at music and other festivals, such as the Gayndah Orange Fest, Tara Festival of Culture & Camel Races, Tenterfield Oracles of the Bush, Millmerran's Australian Camp Oven Festival, Bony Mountain Folk Fest, Chinchilla Melon Festival, Murgon Country Music Fest and Capella Country Music Festival, among others.

He published a children's bush poetry book in collaboration with emerging artist, Darcie Harris. The book is focused on loveable farm animal characters and gently educates youngsters on the source of some of our food and fibre, as well as containing lessons on fat shaming, being comfortable in your own skin, being part of a team and being responsible. Gary organised a very successful book launch for the title in his home town of Millmerran.

Unfortunately, Gary was unable to be present as he was performing at the Tamworth Music Festival, however he was represented by his wife, Cindy.

Mainly Music is a program for babies, toddlers, and preschoolers. We offer weekly sessions that are full of songs, rhymes, actions, and movements designed to engage both the parent and the child. Weekly sessions are interactive 30-minute structured sessions where a passionate volunteer team brings out the best in the children and help them to gain the skills in readiness for school. Not only will your little one(s) be delighted by the one-to-one attention you give, but you'll love the way they respond and develop. You'll be creating memories together. There is also a lovely morning tea for the families after the session. We ask for a donation of \$5 per family per session but if a family can't afford it, they are still very welcome to join. If this excites you, please come and join us! We are running two programs now:

"I AM" the Light of the World

This is the next thing that we will look into that Jesus called himself. More than once Jesus was referred to as light. In Genesis 1 we read about the creation of the world, where the very first thing God created was light. This was before the sun, moon, and stars were created. The world was totally covered in darkness until light came upon it, and from that point on the earth could sustain and produce life. Darkness had to be removed by light, before any goodness could come.

In John 1 we read about the similarity of this light upon the souls of mankind. We can read there that in the beginning Jesus was called the Word. When He came to earth He was called the Light, who as a man was called Jesus. When Jesus came to earth, spiritual light came upon the darkness of sin in the world, that can never be removed until God says so. Because of that Light, mankind forever has the opportunity to gain light on the darkness of the sin we've all been born with. Sin is always referred to as darkness. When a person knows nothing but darkness, he doesn't understand the benefit that light brings. Jesus is the spiritual light in a world of dark sin, and is available to all mankind. However, it takes someone to want to turn from the darkness of sin and turn toward the light in order for them to see the Light. This is called repentance. When someone has had enough of their sin, and no longer wants to remain in the darkness of sin, they can turn to the light of Jesus and ask for Him to come into their heart and receive forgiveness of their sin. We all know how much better we can see in the dark when we switch the light on, and this is no different to the effect of Jesus being received into a person's life. What one couldn't see before, is now revealed. The mystery of God, the truths of the Bible, the stories of Jesus, the history of Israel, the future of mankind, the purpose of life and many more wonderful things that we once had no care about or didn't think we could ever know, begin to be understood because the light of Jesus has been shone into our hearts and mind. Without Jesus we stumble around in the dark only guessing.

When Jesus said the words in the verse above to those around him, this is what He was trying to get them, and us, to understand. If you would only follow me, then you will no longer have to live in darkness. There is hope, but you must follow me to receive it. Follow what I say, follow what I teach, follow my example and you won't have to walk in darkness, but have the light of life - this is a better life in the present and an eternal life in the future. Have you come to the Light? God sent the Light of the world to the world so that we don't have to live in sin and receive the punishment that sin brings upon us. He loves you, and offers salvation from eternal damnation. The Light is available. Turn to Him and enjoy the understanding that only time with Jesus can give.

Darryl Lindenmeyer

Darryl has been described by his nominator as a hardworking man who continually serves his rural community in numerous events, fund-raisers and through the Scouts Group. He is community focussed and has not only taught his own children but many, many more from Millmerran and the wider Millmerran district.

He has the ability to unite children and family groups from diverse backgrounds and has taught them valuable survival and other skills at Scouts, events and camps. Darryl is known as someone people can trust and he will always lend a hand when he sees someone struggling. Happy to have a yarn, he is also focussed on teaching skills to create great Aussies. While Darryl would be happy to receive this award, he never seeks attention for his good will, but instead continues serving with integrity. He is a great Aussie who deserves to be acknowledged.

Elizabeth Kelly

Liz Kelly embodies the qualities of a compassionate and dedicated community member who consistently goes above and beyond in her various roles. As a nurse she has been described by those who know her as caring and dedicated, frequently extending her efforts beyond the call of duty. However, her contributions to our community extend far beyond her work as a healthcare professional.

Liz has lived in Millmerran for most of her life, and her involvement in numerous local events and initiatives is truly remarkable. She has selflessly dedicated her time and energy to various school and church activities including Deb Balls, Sheep Races, P & F Assoc, Tuckshop, Sports days, swimming club, tennis club, Millmerran Show Canteen and the Aust camp oven festival. Her tireless commitment to these events has left an indelible mark on our community, and she is always ready to lend a helping hand where it's needed most.

What makes Liz truly exceptional is her unwavering dedication to the well-being of others. She has taken time off work to volunteer at these events, ensuring the welfare of those in need. Her willingness to check on the health and safety of individuals at these gatherings speaks volumes about her genuine concern for the people of Millmerran.

In addition to her local commitments, Liz has also ventured beyond our community to make a positive impact. She has completed the Kokoda Challenge, raising essential funds for the Kakoda Youth Foundation, and participated in the Relay for Life, a significant community fundraiser for cancer research and support services. Her active participation in these events demonstrates her commitment to making a difference, not only at home but also on a broader scale.

Liz's nominators have stated, "What sets Liz apart, is her modesty and her aversion to seeking recognition or reward for her actions. She acts out of a deep-seated desire to help and support others, making our community a better place to live. Her dedication, compassion, and unwavering commitment to the well-being of others exemplify the spirit of our community and the values we hold dear. She is truly deserving of this nomination."

Roselle Crellin

Roselle Crellin is passionate about Millmerran and committed to enhancing the lives of her fellow residents, and a quiet achiever who makes a huge contribution to the wider community without any thought of personal recognition.

Roselle and her husband Joe completed building their home in 2014 after moving to Cypress Gardens in 2013.

She soon became involved with the Wylahra Grove Progress Association Inc. and was appointed assistant secretary in 2015 before being elected secretary in 2016. She has been a committed volunteer executive member ever since.

Roselle opens and manages the Wylahra Grove Progress Association Hall one day a week, assists with cleaning and helps community members with many issues.

She ensures that regular organised events, such as the darts meeting, music sessions and the monthly Breakfast in the Bush, take place. In addition, Roselle is involved in purchasing supplies, cooking, serving and cleaning after functions.

Roselle has secured grant funding of more than \$56,000 for children's playground equipment, furniture, other equipment, insulation and fans for the hall. In November 2016, Roselle organised an expo for the community and another community day, On Our Selection, in October 2017 featuring a presentation of the history and development of the seven localities south-west of Millmerran.

In 2021, Roselle was heavily involved in running a fundraising event for the Millmerran Hospital Auxiliary.

In 2014, Roselle joined the Millmerran Commerce and Progress Inc. (MCPI) and volunteered to fill the treasurer's role in 2016. She was elected secretary/treasurer in 2018 and is the current vice president. Her work in this capacity has seen multiple grants and sponsorships awarded to MCPI, including a grant to purchase and erect a digital LED community sign in Domville Place. A more recent grant has allowed MCPI to engage a landscape architect to develop plans for Domville Place. This project has come to fruition thanks to Roselle and the Tourism sub-committee members. Roselle has overseen the completion of many tourist attractions across Millmerran, including the final installation of heritage plaques as part of the Millmerran Heritage Walk and the production of the first and second editions of the Millmerran Visitors' Guide. Her enthusiasm for promoting the district extends to helping organise the Millmerran Commerce and Progress Busking competition, run during the Australian Camp Oven Festival.

Roselle volunteered for the role of Millmerran and District News newsletter editor in 2018 and devotes countless hours to assist produce, edit and distribute the monthly publication to Millmerran district residents. This recently involved learning how to use a new computer program, which has resulted in a visually appealing and professional publication.

Roselle leads the organisation of the annual Christmas in the Bush Festival and Christmas Lights competition. She goes above and beyond to create a magical event for the children, as well as organising entertainment (featuring Santa), food stalls and event installation and packing up.

Roselle is a dedicated volunteer who has an extensive knowledge of meeting protocol. She willingly assists new volunteers and her expertise and attention to detail are invaluable. Roselle puts her energy into all her endeavours and is a very worthy nominee.

2024 Feels Different!

I don't know what it is but 2024 just feels different, doesn't it? It feels like this is the year where everything is about to come full circle. I excited! I'm ready!

I always feel when we've stepped into a new year that it's cause to pause and celebrate the fact we ARE here. We made it! We truly are here for such a time as this.

I paused and thought...once again I found God has been faithful...so faithful! Did God come through for you this year? For me...He did it over and over again.

I don't see the new year is about making resolutions or setting goals. Sometimes that can be just a little too much pressure, a little too daunting. Let's face it...we all know if we're making empty promises or if we're really going to keep those resolutions. What I'm sensing is that if we're going to be ready for whatever comes in 2024, it's going to be because we know God.

He wants us to have a more personal connection with Him. One where we hear His voice. One where we love hearing what He has to say and He us.

Why is it we don't speak with God more, that we don't share our heart with Him more? Is it because we're afraid to hear what God might say back to us? Afraid He might put us on the spot? Afraid He might challenge us to set some things right?

I'm so thankful God speaks to our hearts, but God won't invade our space uninvited. Yes, He longs for a deeper connection with each one of us and He'll invite us...but we have to respond. We have to choose to personally connect with Him.

Do you remember the account of Elijah and Elisha in

2 Kings chapter 2? Do you remember when Elijah was taken up in a whirlwind and Elisha saw Him go? Elisha asked for a double portion of what Elijah had on his life. Elijah told Elisha he had asked a difficult thing but God would grant it if Elisha saw Elisha go.

I love that account in the Bible because Elisha was faithful to follow and serve Elijah. When Elijah told Elisha that he'd asked a difficult thing, he didn't mean it was hard for God to give Elisha a double portion...but that Elisha was asking for great responsibility. Elijah must've thought, you've seen what I've been through...not only the miracles but the difficult times, and you want double of that?

As Elijah and Elisha moved from city to city, there were a group of about 50 prophets who watched from a distance. At times Elijah would give Elisha opportunity to stay with those prophets who watched from a distance. Such was Elisha's faithfulness he refused saying, No, I'm going wherever you go.

When Elijah and Elisha finally arrived at the Jordan River, those 50 prophets still were watching from a distance. They knew something was about to happen but they still watched from a distance...and missed the whole thing. But Elisha wasn't content to watch from a distance. He saw Elisha go up in the whirlwind and he received the double portion.

Be open to knowing and experiencing God for yourself...up close and personal. His presence changes things...changes our life, every circumstance and situation, the way we see life.

Make this year different. Respond to God's invitation to know Him more.

Charles Blondin was one of the greatest tightrope walkers of all time. One of his greatest feats was walking across Niagara Falls. The tightrope was close to 400m long and suspended about 50m above the water. His balancing pole weighed 22.7kg and was 8m long. Varying antics included, walking backwards, being blindfolded, carrying his manager on his back, eating, cooking an omelette on a stove then lowering it to passengers on a boat below, carrying a table and chair, somersaults, backflips, dangling from one arm, laying down, night crossings, and even tied up in shackles.

Perhaps his most famous however was when he asked for a volunteer to be carried across in a wheelbarrow. The once cheering crowd all of a sudden became very quiet, yet one man stepped forward in faith, for the ride of a lifetime. As Christians, we all 'believe' in God, but how many of us are actually willing to put our faith into action? Do we always portray a godly character when stressed or upset and do we stand up for Jesus when opportunities arise? Certainly worth pondering. Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven. Matthew 5:16.

How to stand strong against the deception of the enemy, so we can remain devoted to God and to our Lord Jesus Christ.

Back to the Garden of Eden, where Eve is looking in awe at the fruit hanging on the tree. As she watches, Satan, the serpent of old, started to talk to her. His intentions were to make her doubt the Word of God. "Did God REALLY tell you not to eat from any tree in the garden?", "Did God REALLY tell you that if you do, you shall die?", "Is God KEEPING secrets from you, not wanting you to be like him, knowing good and evil?"

As the serpent deceived Eve by his craftiness, our mind could also be deceived and led astray. He will try to get us to question the Word of God and the Truth of His Word. Many people say that the Bible is ONLY a book of fables, written by man and has been translated too many times to be truthful. Deception is not only in our churches, but also in our government and our daily life. So, "Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may devour." (1 Peter 5:8) Hollywood depicts the devil as a victim, while in reality, he is out there to get and to deceive us from seeing God as a loving Creator, who wants to save ALL. The Good News is that Jesus overcame Satan and He offers us all the power we need to overcome our weaknesses. Reading the Bible daily and "praying without ceasing" will give us wisdom, faith and strength to resist the devil. Connect with Jesus, the Good Shepherd!
