

**The Cecil Plains History Group are hosting a function to celebrate the centenary of the:-
Cecil Plains Memorial Hall on Saturday
17th May, 2025.**

**There will be the Launch of a book called:-
"All About Us", which is a reprint of a previous book written by Margaret Neville in 2006, but with some additions bringing it up to 2025.
Consequently this book is quite an extensive history of happenings in the district from 1919 when the war was over and Cecil Plains was growing and the need for a community hall was evident. There are many interesting anecdotes and tales to read as well, bringing it up to the present day.**

The Soldiers Memorial Hall and School of Arts was opened on 6th February 1925 so we are very fortunate to have such a historic asset.

All residents, past and present, and any interested persons are cordially invited, and are very welcome, to come along to our Wine and Cheese Afternoon with an Art Exhibition. It is a free event, but there will be some raffle tickets, naturally, and a copy of the book to purchase. Surely, there will be lots of old friends with whom to mingle.
