Welcome to a new year of the Millmerran & District News. Thankfully there has been rain in most spots since the December Newsletter and we can only hope that this continues in 2024.

The Community Christmas Tree was on display in Domville Place for the month of December. Thank you to Knights Electrical for their help with installation and dismantle along with the Australian Camp Oven Festival allowing us to use their cable covers. It was a wonderful sight to see so many enjoying the annual Christmas in the Bush on 16 December in Domville Place. It was a terrific night for our town to come together and enjoy the wonders that Christmas time brings.

Well done to the Shop Window Christmas Light winner Horizon Accounting and runner up Millmerran Rural Agencies. Only a small number of entrants for this year's Christmas Lights competition and we thank those who did join in the fun and enter. If you do decorate your home with Christmas lights, please consider entering the competition this year. The more the merrier and we appreciate the support to our community.

On 25 January, Mary Tosswill and myself attended the Darling Downs Alliance meeting held in Toowoomba. More on that in the March newsletter.

MCPI have had communications with both the Punch's Creek Solar Farm and Bulli Creek Solar Farm during January. On 24 January Punch's Creek Solar Farm held a Community Information Drop-In session at the Cultural Centre. We hope that Bulli Creek will do the same shortly so our community can understand the project and their intentions.

The TRC Library Manager has contacted me to arrange an upcoming meeting with regard to the library review and our request for the reinstalment of opening hours to 5 days per week. More on that to come.

The Millmerran Show Society has purchased four "Welcome to Millmerran" signs which have been installed on the poles at the entrances to town. The idea of these signs is for community groups to purchase the four signs which in turn welcomes people to town so they feel welcome and stop to enjoy our hospitality, as well as raising awareness for the group. The signs look great and we thank the Show Society for their support.

The next MCPI General Meeting will be Wednesday 21 February at the Catholic Church Hall, William Street, Millmerran – 5.30pm for a 5.45pm start.

## Millmerran Mens Shed

Millmerran Mens Shed has resumed activities, celebrating the start of another successful year with Jonathon Lewis entertaining our members while enjoying a BBQ brunch. We continue to host the sausage sizzles outside Mitre 10 each Saturday morning and enjoy the many compliments kindly given to us for our efforts.

We would like to thank the Camp Draft Committee and Millmerran Pony Club for your very generous donations to our Shed. Donations like these make running the shed easier knowing we are supported by our community. Thank you so much! Our shed is well equipped and generally we are willing to help out community members who may need to borrow something occasionally. But we really appreciate it when these are returned promptly as we need these tools for projects at the shed.

We would also like to welcome new members as well as invite others to come along and see if you might like to become a member. If you would like to get involved or have an offer of support or need assistance from us, please contact:

The Work Bonus has permanently increased.

It's good news if you're Age Pension age and get a pension. It helps you keep more of your payment if you're working.

All pensioners over Age Pension age and eligible veterans have a maximum Work Bonus balance limit of \$11,800.

New Pensioners over Age Pension age will have a starting Work Bonus balance of \$4,000 rather than \$0.

Carer payment and Disability Support Pension customers who are Age Pension age or older and working are subject to normal work rules for those payments.

## Forest Pines Rural Fire Brigade

5 Rosella Ave, The Pines

Hey there, folks! I really hope you all had a absolutely fantastic Christmas and New Year's. I just wanted to let you know that we've been incredibly productive these past couple of months, with a whole bunch of fires to tackle and some seriously awesome progress made at our facility. We've even kicked off our Wednesday night training sessions, and guess what? We're thinking about adding some weekend sessions too, on top of our usual Thursday morning activities. We've got so many innovative ideas in the works for this year, along with ongoing renovation projects. I genuinely believe that organizing some collaborative work sessions will really help us make some amazing strides forward.

Over the next few weeks, we've got a few repairs lined up for our trusty vehicle. And let me just take a moment to give a big shoutout to all the members who go above and beyond to keep our truck clean and organized, making sure it's always ready for those emergency calls. Your hard work is truly, genuinely appreciated!

Oh, and just so you know, our meetings are always on the 3rd Sunday of the month at 10 am. You should definitely come join us for a cuppa and a chat. Oh, and did I mention that some months we even have a BBQ? It's seriously good stuff.

If there's anything you need, please don't hesitate to contact us. We're here to help in any way we can.

Until then, stay safe, my friends!

And remember, in case of an emergency, contact 000.

Big thank you is extended to all those helpers and the community who supported us during the last year. All monies raised is given back to needy clubs within the Millmerran Community.

Thank you very much for the boys doing such a beautiful and appetising meal that was enjoyed by all. Liz Kelly was named our citizen of the year for 2023. Congratulations Liz as you are a very worthy of this award,.

**The Lions Club of Millmerran** is proud to endorse and nominate a truly exceptional individual from our community, **Liz Kelly, for the Lions citizen of the year.**

Liz Kelly embodies qualities of a compassionate and dedicated community member who consistently goes above and beyond in her various roles. as a Nurse, she has been described by those who know her as caring and dedicated, frequently extending her efforts beyond the call of duty. However, her contributions to our community extend far beyond her work as a Healthcare professional.

Liz has lived in Millmerran for most of her life, and her involvement in numerous local events and initiatives is truly remarkable. She has selflessly dedicated her time and energy to various school and church activities, including Deb Balls, Sheep Races, P&F Association, Tuckshop, Sports Days, Swimming Club, Tennis Club, Millmerran Show Canteen and the Camp Oven Festival. Her tireless commitment to these events has left an indelible mark on our community, and she is always ready to lend a helping hand where its needed most. What makes Liz truly exceptional is her unwavering dedication to the well-being of others. She has taken time off to volunteer at these events, ensuring the welfare of those in need. Her willingness to check on the health and safety of individuals at these gatherings speaks volumes about her genuine concern for the people of Millmerran.

In addition to her local commitments, Liz has also ventured beyond our community to make a positive impact. She has completed the Kakoda Challenge raising essential funds for the Kakoda Youth Foundation, and participated in Relay for Life, a significant community fundraiser for cancer research and support services. Her active participation in these events demonstrates her commitment to making a difference, not only at home but also on a broader scale.

What sets Liz apart is her modesty and her aversion to seeking recognition or reward for her actions. She acts out of deep-seated desire to help and support others, making our community a better place to live. It is with great pride that the Lions Club of Millmerran endorses Liz Kelly for the Citizen of the Year award. Her dedication, compassion, and unwavering commitment to the well-being of others exemplify the spirit of our community and the values we hold dear. She is truly deserving of this honour.

#### Mission Statement -

We seek to be a multi-generational church with Jesus central to our beliefs. As Disciples of Jesus, we serve and connect to the vulnerable and marginalised of our society, offering a sanctuary for the broken and sick, a place where people are nurtured and cared for. We believe our church is given to the Holy Spirit, making us a Spirit-led church. We invite you to become part of our family because we are part of God's family through GRACE.

Mainly Music is a program for babies, toddlers, and preschoolers. We offer weekly sessions that are full of songs, rhymes, actions, and movements designed to engage both the parent and the child. Weekly sessions are interactive 30-minute structured sessions where a passionate volunteer team brings out the best in the children and help them to gain the skills in readiness for school. Not only will your little one(s) be delighted by the one-to-one attention you give, but you'll love the way they respond and develop. You'll be creating memories together. There is also a lovely morning tea for the families after the session. We ask for a donation of \$5 per family per session but if a family can't afford it, they are still very welcome to join. If this excites you, please come and join us! We are running two programs now:

Place: **Millmerran Uniting Church**

Day: **Tuesdays** followed by morning tea for all.

"And Jesus said unto them, I am the bread of life: he that cometh to me shall never hunger; and he that believeth on me shall never thirst." John 6:35

This year we are going to look at several things that Jesus called himself. We know Him as Jesus, the Messiah, Christ etc, but there were some titles that Jesus told people that He was, which were often preceded by the words "I am". Almost all of these are recorded by a disciple of Jesus, named John, so we will find these written in his books. The first one is "I am the bread of life" (John 6:35).

Now, Jesus certainly wasn't hinting that he was literal bread, but bread is something that all mankind could, and still can, relate to. Bread is a staple food source. History points to the fact that anyone who is starving would be content to have just a piece of bread. But Jesus says more than that he is just bread though. He says "I am the bread of life". Jesus is referring to the fact that he is something that is so much more than what normal bread can offer. As we read on in v48-58 of chapter 6 we will see that Jesus is talking about the effect He has on a person's life if they would ingest (absorb) Jesus into their life.

When we eat bread it satisfies our hunger, but only for a time. When we eat bread, the goodness of that bread gives us energy, sustenance, and health, but only for a time. Jesus continued to teach his listeners and explain to them what he meant by this statement "I am the bread of life." He spoke of the bread that God sent to Israel when they walked the deserts, after leaving Egypt in Moses time. That bread was sent down from God to feed the physical need of the people, but Jesus was sent down by God to feed the spiritual need of the world. He tells them (John 6:33) "For the bread of God is he which cometh down from heaven, and giveth life unto the world. ... (48) I am that bread of life. ... (51) I am the living bread which came down from heaven: if any man eat of this bread, he shall live for ever..." He was saying that although he was similar to normal bread, the affect upon the one that consumes Jesus, that absorbs Him, that accepts all of Him into their spiritual life, would be life - life eternal/ everlasting life. This Bread would satisfy for ever! "As the living Father hath sent me, and I live by the Father: so he that eateth me, even he shall live by me. This is that bread which came down from heaven: not as your fathers did eat manna (bread), and are dead: he that eateth of this bread shall live for ever." (John 6:57-58) Jesus wasn't saying that his flesh was to be eaten, as some people got confused with, but was explaining that He was the answer to their spiritual hunger that could only be satisfied with Jesus Christ, the Bread of Life.

Have you eaten of this Bread? Have you placed the sustaining power of Jesus Christ into your life and fed the spiritual hunger that only He can satisfy. We "eat" of this Bread by asking Jesus into our heart. Untreated sin leaves us starving for Jesus, but asking Him to fill us with His goodness, will fix the hunger that sin has caused. Nothing will satisfy what can only be quenched by accepting all the bread sent by God, Jesus Christ. It takes faith to pray and ask Jesus, the Bread of Life to fill us, but this is the only way - We must trust His saving power.

# Life & Faith

LYNDALL CHANDLER // CHURCH 4357

## Heaven is Real!

There are two things that are certain for every human on the face of the earth. The first is birth. We can't live here on earth unless we are born here. And as certainly as there is an entrance into this world, there is also an exit...for every single human being.

As Hebrews 9:27 reminds us, *And as it is appointed for men to die once...* So as surely as you were born and are alive, there is going to be an exit. And that can seem daunting for some.

But death is nothing to fear for the child of God because Jesus said, *I am the resurrection and the life* (John 11:25). If we die before Jesus comes, we simply slip out of our bodies...just like a hand slips out of a glove. And with Jesus' hand in ours we simply step into heaven. Those who know God will never taste of death.

In 1 Thessalonians 4:13 Paul is encouraging believers when He said, *And now, dear brothers and sisters, we want you to know what will happen to the believers who have died so you will not grieve like people who have no hope.* Now that doesn't mean we don't miss the person or that there aren't going to be tears.

This hope we have is not wishful thinking. *Well, I hope so...!* It's not a desperate attempt to cover the torments of life. This hope of the Christian life is a confident expectation and assurance of the future...of heaven.

Heaven is not an imaginary place to escape earth's problems. It is a real place. All the streets, gates, thrones and houses are real. It is not a place we have to work to get to. We get there by believing on the Lord Jesus Christ because heaven is a gift. It's a place where all sorrow and tears will be wiped away.

We know the moment a believer dies; they instantly move from earth to heaven for *to be absent from the body and present with the Lord* (2 Corinthians 5:8). The physical body dies and is buried but the spirit of a person lives forever. If you have accepted Jesus as your Saviour, you will live

forever with God. One moment you are alive on earth and the next you are in heaven with Jesus.

Heaven is real...so is hell. The life we live here on earth the Bible tells us is like a vapour...so short compared to the life that is after death. That life is forever. Have you given any serious thought as to where you will spend eternity...heaven or hell? Your eternal destination has nothing to do with how good or bad you are or have been, but it has everything in the world to do with how good God is and whether or not you have received what He did for you in Jesus.

You might ask, why would a loving God send people to hell? He doesn't. He has made heaven available to every single person but He has left the choice with us.

Jesus came so each of us can have the opportunity to enjoy heaven and miss hell. John 3:16-17, a scripture that most can recite, clearly defines why Jesus came, *For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life. 17 For God did not send His Son into the world to condemn the world, but that the world through Him might be saved.* Jesus came to give abundant life, but many refuse the gift.

God is not your enemy. He loves you and wants you to enjoy the abundant He has provided for you through Jesus. He gave His own son so that you could choose to have abundant life and God's love and goodness. So how do we receive that abundant everlasting life? Romans 10:9 *If you openly declare that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved.*

Is it time to re-evaluate your life? Is it time for you to know God for yourself? From my heart to yours, I encourage you to.

**For here is the way God loved the world-He gave His only, unique Son as a gift. So now**

## Chappys' Corner

This time of year is a wonderful opportunity to make any changes in our lives that we feel may be lacking. The Bible has some valuable advice for us in Philippians to help us.

Fix your thoughts on what is true, and honourable, and right, and pure, and lovely, and admirable. Think about things that are excellent and worthy of praise”

This is valuable advice for us all, in all aspects of our lives, especially in relationships. It is very easy for us to see faults in others, which eventually outshine all the good character qualities that are present. Close your eyes to the irritating habits of those around you and consciously ignore the negatives. Focus instead on the positives to enhance your relationships with everyone you come into contact with.

Wishing all of you a happy and blessed 2024

**++BIBLE STUDY EVERY WED 1-2 PM++  
COMMUNITY HALL  
72 Primrose Drive, Millmerran Downs.**

What is the secret of LOVE? It is COMMITMENT. And the secret of commitment is CHOICE. That is why God planted 2 in the middle of the garden: the tree of Life and the tree of knowledge (of good and evil). The Bible says that God told Adam that he could eat from everything in the garden BUT NOT from the tree of knowledge. What a blessed life it must have been.! Adam and Eve didn't have to worry about anything, but tend to the garden and experience freedom.

They didn't have to fear "the snare of the fowler and the perilous pestilences". No stabbing, no thieving, no covid or others! Created in God's image, they lived in a perfect environment, with a perfect Father who came to commune with them at the end of each day and were themselves perfect.

But one day, everything changed! Eve wandered a bit too far and found herself at the tree of knowledge. The tree looked so good and the fruit so tempting. She knew she shouldn't touch it or eat it, Or else she would die, God had said. SEE! God never intended for them to know GOOD, neither to know EVIL, but to know HIM, God. He never intended them to have to choose between Him or evil, but He wanted them to walk with Him, to know His voice and do what He said. And He hasn't changed. "He is the same yesterday, today and forever". the Bible says.

So, for us today, we are to COMMIT our life to Him, through Jesus Christ. It is not a matter of choice between good and evil, but it is a matter of life and death. Jesus our ONLY choice! New year! New life in Jesus
