## Senescence and Growth Pulses

We often see old growth trees that have entered senescence. These trees often get the blame for things around them not growing well. Senescence is when a plant is getting old, and it shuts down growth around it. In nature, a state of senescence may exist for many years, which to us is a long time, but in the big picture it is almost nothing.

There are, of course, natural benefits of senescence, as it is where specialist microbes, plants and animals thrive to help bring the old plants back to the soil. This can be observed by heavy browsing pressure, insect attacks and pathogenic fungi and other microbes. A lot of nature's habitats are also provided by senescent plants eg: hollow trees. However senescence is best avoided if we want to have maximum life and production in our system, as well as being more resilient to drought, disease and wildfire, so we make sure that our actions are the disturbance event that eliminates senescence and triggers a strong growth pulse. The disturbance cycles which naturally occur in nature (lightning strikes, wind, fire) which revitalises a system are mimicked with pruning and grazing and sometimes cool burns.

So if you have an area of vegetation, trees, garden, etc that you think has stopped performing and would like to kick start the macro organism (soil, roots, microbes, fungi, etc), give it a prune or graze—removing it fully will not have the same affect. Slight disturbance through pruning, grazing or cool burn will encourage the entire area of influence to thrive, allowing for diversity and recruitment of plants.

### Aquatic Wheelchair

With the upgrade of the Millmerran Swimming Pool, complete with a ramp access, there still was a need for more assistance for those with mobility issues to access the water with minimal assistance.

Quotes were obtained for an aquatic wheelchair to fill these needs.

Several community groups were approached successfully to fund the purchase of the chair, which will remain onsite at the Millmerran Aquatic Centre for use by the community.

Many thanks to the following community groups:

The Gore Highway Cruisers  
Yallambee Aged Care Auxiliary  
Yallambee Bargain Boutique  
Millmerran Mens Shed  
Millmerran Auto Club  
Pittsworth Sprints

Also a big thank you to individuals of the community for their input and support in this project. Some of us may need help in the future. Handover took place on Thursday 13.3.2025 by Penny Caldicott.

Congratulations to Millmerran Show committee for a terrific show. It was fabulous to see so many people involved in such a variety of ways. Competitors, spectators, stall operators, stewards special guests. Thank you for allowing us to display our organisation and to all who purchased tickets in our Rocking Horse raffle won by Ros Hall.

We have recently purchased a Defibrillator thanks to a small grant from Australian Men's Shed. We look forward to our training day kindly run by our local Ambulance officer on his 'day off.

Pallet timber is a valuable resource to our shed. It is amazing the number of interior or exterior furnishings that can be created from this timber. We thank those who have donated pine pallets to us to use.

We have enjoyed helping out our Hospital Auxiliary by creating an honour board for the commemorative rose garden.

## Millmerran Golf Club Inc.

The recent favourable weather and hard work by the greens staff has the course in great condition. The open carnival was held on the weekend, Tracy and Ashley from Crank Drilling has once again sponsored and organised a great day on the course and in the Clubhouse with 109 players in attendance. With some help from members in the course preparation, lunch and the good weather topped it off. Lachie helped from afar in hospital with another setback.

We are all thinking about you mate.

Overall hope those who play golf remember the course is maintained by mainly volunteers that give up their time to provide a top quality course at reasonable rates. As a member if you can help out please do.

**DON'T FORGET MEMBERSHIP IS NOW OVERDUE. If it has not been paid by the end of February you will not be entitled the members rights such as green fees or winning competition prizes.**

Friday Sporters and Saturday Chook run usually kick off 2 > 3pm. Competition starting times in Summer are 11.30am for 12n tee off ( no lunch) Winter are 10.30am for 11am tee off..

Because the program can change by the time the newsletter hits the streets it is best to check on Facebook or the clubhouse notice board to see what's on.

## HOSPITAL AUXILIARY

Congratulations to the girls on winning some prizes for the roses in the show. There was a beautiful exhibition of flowers, considering the hot, windy weather prior the show.

As a group we researched and planned the features of a castle, then set about making one. Followed by the decision to be a Knight or Princess? And, of course, no fairytale play would be complete without a Dragon!

## Lions Club of Millmerran

In recent times we have had enquiries, if our Lions Club would cater for private functions. This has been discussed at length but unfortunately due to the small number of members, we are not able to do this.

**We can still hire the COLDROOM AND TABLES AND CHAIRS for private functions.**

Millmerran lions are happy to cater at community fundraising events.

Millmerran Lions would like to sincerely thank the many local volunteers who generously gave of their time, in helping with the BBQ during our recent Agricultural Show. Also to fellow Lions from Cecil Plains, Westbrook and Clifton for their generous support during the Show.

There are always good coming and going from the Lions shed. If you are looking for something, we are only a phone call away. Contact any of our members listed below or their contact numbers can be found on the wall of the Lions Shed, near the canteen roller door.

### Forest Pines Rural Fire Brigade 5 Rosella Ave, The Pines

It's been a busy month for us all, we hope you all coped well with the recent weather event cyclone Alfred and we hope all your family and friends are safe. During Alfred although it wasn't as intense as other places we still had call outs and with the extreme heat and winds we were ready to roll, as it is hot remember to stay hydrated and find a shady spot to prevent heat stress.

Brigades were asked for crews as support part of planning for recovery and assist with clean up. Forest Pines were present at the Millmerran Show with our Volunteer Community Educator we had both 41&51 on display. We also had the privilege of attending the Life Flight fundraiser organised by Rochelle from Millmerran Village Caravan Park and hosted by Millmerran Bowls and happy to say they reached their \$5000 and had another \$500 to it.

We have had the honour of being asked to the Long Tan Memorial unveiling at the Community Hall Primrose Drive Millmerran Downs. And lastly we have been invited to participate with the MAPA Easter Event, Easter egg hunt, Tug of War and our little garden set up. Our meeting's are the 3rd Sunday of the month at 10am feel free to pop in for a cuppa and a chat you will be more than welcome.

Mainly Music is a program for babies, toddlers, and preschoolers. We offer weekly sessions that are full of songs, rhymes, actions, and movements designed to engage both the parent and the child. Weekly sessions are interactive 30-minute structured sessions where a passionate volunteer team brings out the best in the children and help them to gain the skills in readiness for school. Not only will your little one(s) be delighted by the one-to-one attention you give, but you'll love the way they respond and develop. You'll be creating memories together. There is also a lovely morning tea for the families after the session. We ask for a donation of \$5 per family per session but if a family can't afford it, they are still very welcome to join. If this excites you, please come and join us!

MATTHEW 6:6 (KJV)

## PRAYER - Where can I do it?

There are some that believe prayer can or ought only to be done in certain places or at certain times, but praise God He is omnipresent. This means that God is everywhere at the same time. Nowhere in the Bible do we find that anyone can, should be, or is appointed to stand between man & God when it comes to prayer, except for Jesus Christ. Jesus is & will only ever be the one that fills the void between fallen man & perfect God. He is the mediator. "For there is one God, and one mediator between God and men, the man Christ Jesus (1 Tim 2:5)

Jesus not only taught on prayer, but He also is a great example of prayer. Jesus prayed often & in various places. He prayed in a garden near His disciples. "Then cometh Jesus with them unto a place called Gethsemane, and saith unto the disciples, Sit ye here, while I go and pray yonder. And he took with him Peter and the two sons of Zebedee, and began to be sorrowful and very heavy. ... And he went a little further, and fell on his face, and prayed..." (Mat 26:36-37, 39). He prayed alone on a mountain. "And straightway Jesus constrained his disciples to get into a ship, and to go before him unto the other side, while he sent the multitudes away. And when he had sent the multitudes away, he went up into a mountain apart to pray; and when the evening was come, he was there alone" (Mat 14:22-23). He prayed prior to a meal before thousands of people in public. "For they were about five thousand men. And he said to his disciples, Make them sit down by fifties in a company. And they did so, and made them all sit down. Then he took the five loaves and the two fishes, and looking up to heaven, he blessed them, and brake, and gave to the disciples to set before the multitude" (Luk 9:14-16).

In Matthew 6 we have the famous Lord's prayer which we'll soon get to, but it's preceded by several verses where Jesus teaches His disciples specifically on prayer. How do we know this? Because Matthew 5, 6 & 7 are commonly referred to as the "sermon on the mount". To avoid confusion when studying scripture, it is very important to look for who is speaking to and who is listening. By reading how this sermon begins we understand the audience & the setting. "And seeing the multitudes, he (Jesus) went up into a mountain: and when he was set, his disciples came unto him. And seeing the multitudes, he went up into a mountain: and when he was set, his disciples came unto him: And he opened his mouth, and taught them, saying". (Mat 5:1-2) So, Jesus taught His disciples, while the multitudes listened. This is exactly how it is today in a church setting. The disciples were the 1st church, & Jesus teaches them while all those who were willing to listen & learn, were given the freedom to sit & do so. This was often the way & yet sometimes Jesus taught them without the multitudes present in a more private setting, but that's a topic for another day. What we learn though, is that Jesus was teaching His disciples how to pray & the multitudes learnt in that same setting (Mat 7:28) "And it came to pass, when Jesus had ended these sayings, the people were astonished at his doctrine" & (Mat 8:1) "When he was come down from the mountain, great multitudes followed him." Our verse above is one of those verses where we find another teaching on prayer. This time it is to pray in our closet - like a wardrobe or a bedroom, or basically a room where we can be alone with God. A room with a door where there will be no disturbances or interferences. It is such a blessing that God is accessible at any time, in any place, & we have freedom to approach Him with our humble prayer.

LYNDALL CHANDLER // CHURCH 4357

## Happy Easter!

Easter is my favourite time of the year. It's a time for me when we see the love of God for us on full display. It's a time that touches my heart so very deeply and this month I'd like to share with you some of what moves me so.

At Easter we celebrate the most powerful event in all of human history. All of time is literally measured by the cross. That's how powerful the life, death burial and resurrection of Jesus actually is.

More than just an event throughout human history, we're actually celebrating a person. Jesus said in John 11:25 *I am the resurrection and the life. He who believes in Me, though he may die, he shall live.* So, when we talk about Easter and the resurrection, we're not just talking about a date or a moment in history, we're talking about a person who is alive and is here today.

And the same power that raised Him from the dead (Romans 8:11) has raised you and I from our death of sin. If you don't know Him, there's power available to you to change your life and power to change your eternity.

In Matthew 27 starting in verse 50, Jesus is about to die on the cross, *'And Jesus cried out again with a loud voice, and yielded up His spirit. Then, behold, the veil of the temple was torn in two from top to bottom; and the earth quaked, and the rocks were split, and the graves were opened; and many bodies of the saints who had fallen asleep were raised; and coming out of the graves after His resurrection, they went into the holy city and appeared to many. So when the centurion and those with him, who were guarding Jesus, saw the earthquake and the things that had happened, they feared greatly, saying, "Truly this was the Son of God!"*

Religion can't make a way for you to have relationship with the true and living God. But when an angel ripped the veil or curtain in the temple (verse 51), it signified the way to God has been made available to all of us. And that all of us can now know God for ourselves.

Now there is nothing that can separate you from God but you. Nothing can keep you from an eternity with God but you. No one is standing between you and God.

We can now have total access to God because Jesus is the resurrection and the life (John 11:25) and because of all He's done for us. And even if you don't know Him today, the way has been opened to you to have and enjoy a relationship with Him by faith, by trusting Him.

Don't let the failures of the church, the failure of Christians, keep you from the presence of God, keep you from an eternity with a loving, caring, God. Or keep you from God's divine plan and purpose for your life because I want to tell you, God wants nothing but good for you.

Romans 10:9 invites us, *If you openly declare that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved.* Then the next verses go onto say, *For it is by believing in your heart that you are made right with God, and it is by openly declaring your faith that you are saved.* <sup>11</sup> *As the Scriptures tell us, "Anyone who trusts in him will never be disgraced."*

I believe that's true for salvation but I believe it's true for other areas of our lives, too. God doesn't want you disgraced. He has not designed for you to be a failure in any area of life.

And that is for all. We see in Matthew 27:51 that the entire earth quaked as Jesus died. What Jesus did for us was for the entire world and not just for a select few.

Jesus had to go the cross. There was no other way. In John 3:16 Jesus said,

*For God so loved the world that he gave his one and only Son, that whoever stops doing bad and starts doing good? No, whoever believes in him shall not perish but have eternal life.* It's our believing that accesses the power of God to restore and make us whole. Believing taps into what Jesus did for you over 2000 years ago and releases that power into your life.

*This Easter know that nothing can separate you from the God who gave His Son to gain you.*

### **We Need You!**

Government funding for the School Chaplaincy program began in 2007. All state schools were invited to apply and could request up to 2 days of funding per week.

Any additional hours could be funded through the local community if desired. Since there has not been an increase in the allotted funds for Chaplaincy since 2007, it doesn't stretch as far because of the cost of living increases.

At the **Millmerran P-10 school**, funding originally covered 2 full days per week, but after 17 years it now only covers about 1 day. Currently the Chaplaincy Service operates for a day and a half per week, which means there is a shortfall in funding for the half day, the amount being approximately \$8,000pa. So if you would like to assist in keeping the Chaplaincy Service maintained in the school, we would love to hear from you.

**Donations** can be made in person at the school office or directly into the Millmerran Chaplaincy account.

## Wind from Elsewhere Ministry

The Garden of Eden. Adam and Eve are being sent out of the garden because of their iniquities. At the ONLY entrance of the garden, living creatures and a flaming sword are placed on guard. No chance for Adam and Eve to go back and find the way to the Tree of Life. Carefully and constantly guarded, it is not just hard to get back, BUT just impossible! No Adam, no Eve, nobody born into the human race, not even you, nor us, can ever get back into God's presence. So, what can be done about it? Nothing! No-one, no human effort will do. The only entrance of Paradise lost, and for the gate to open up, is ONLY by the way of the Cross. For it is not what we can do, BUT what Jesus did for us. For the good of humanity, God had to do it. "God so loved the world..." He won't abandon us in this harsh world. His love is so great! He had a plan, a way of reconciliation.

In another garden, a human form sprawled on the ground. Agonizing, sweating big drops of blood, begging His Father: "Isn't there any other way?" "No, Son." Words spoken so softly, so lovingly, but so firmly. Jesus! Human and Divine! Praying for strength. Praying for you. He sees you walking in the garden, oppressed under the bundle of your problems, lost, looking into the pit of your own failures. Pure, without sin, Jesus must destroy sin. No-one on earth can face the force of evil and win. But Jesus can. And Jesus did.

By dying on the Cross for your sins: past, present and future. Come to the Cross and let His love envelop you.
