Fathers' Day multi draw raffle and sausage sizzle down at Domville place was a fabulous way to celebrate Fathers' day and raise funds and awareness for Prostate Cancer Research. We raised approximately \$1000 for Qld Cancer Council to go towards Prostate Cancer Research. This was only possible due the great generosity of many of our businesses here in Millmerran and some elsewhere, as well as our community for supporting us in this cause.

A big shoutout to those who donated the prizes!

YALLAMBEE AUXILIARY

The MRA Bowls Day!

HIGHLIGHT No 1: The visit of so many Yallambee residents! And they enjoyed their lunch too. There was Beryl back in her old stamping ground, and Norma checking out the photo of her mother Mrs. May Murray, in the winning Fours so long ago!

HIGHLIGHT No 2: The ongoing generosity of the Fitzgerald family, every year! They have been SO good to the Auxiliary. This year the total is nearly \$1,600!!

HIGHLIGHT No 3: The Ever-So-Good Bowlers. Date changes and other events meant our numbers were quite down.....BUT we had a quality bunch, and we thank them.

RETURNED & SERVICES LEAGUE OF AUSTRALIA QUEENSLAND BRANCH

Millmerran R.S.L. Public Notice

Through natural attrition, membership of the Millmerran sub-branch of the Returned Services League of Australia has declined to a point where it has become difficult to satisfy RSL activity and viability criteria. It is a requirement that there must be returned services persons on the executive but social membership is available to all to keep a sub-branch active.

It is imperative that our community continues to have measures in place to ensure that we stage important commemorative events like Anzac Day.

A group of local citizens are working with Terry Quinn (President) and Don Gentle (Treasurer) to map out a way forward for our sub-branch. In the absence of a strong influx of returned services persons it may be that the focus of the sub-branch is the facilitation of important commemorative events.

If you wish to contribute in any way to the future of our RSL sub-branch please come to the next RSL meeting at the Anzac Room on Saturday 18 October at 2pm.

Summer is coming so plenty to do to keep the course
up to scratch. To maintain the course to this quality
takes a lot of effort, provided by volunteers, mainly the
same volunteers time and time again. These people
volunteer their time to maintain a quality facility at
lower costs to the players, the less voluntary work
done means more paid work will be required and
therefore prices will increase.

Friday Sporters and Saturday Chook run usually
kick off 2 > 3pm. Competition starting times in
Summer are 11.30am for 12n tee off (no lunch)

Because the program can change by the time the
newsletter hits the streets it is best to check on

clubhouse notice board to see what's on.

this. Thanks also to Margaret and
helpers for all you have done.

We catered for Morning Tea for

Cool Burn Season

It's been a wonderful cool burn season with great soil moisture and favourable weather conditions. Over 1000 acres of remnant and regrowth country was kickstarted to return to health through cool burns, encouraging growth of diverse natives including grasses, shrubs, trees and herbaceous groundcovers, which are all needed for a healthy ecosystem, and therefore a good grazing enterprise. Sometimes, unfortunately the fire was hotter than desired because of the abundance of fuel that has built up over many decades because of lack of good burns or other management. Coming months will see lots of cool burn preparation, including firebreak maintenance, thinning of invasive natives and pest plants.

Thanks so much to all my happy helpers over the last few months, who were super keen to get out and give me a hand. THANKS GUYS!!! I look forward to working with everyone going forward.

Forest Pines Rural Fire Brigade

5 Rosella Ave, The Pines

Spring has now sprung and we are watching with concern for the fuel load, things are warming up fast.

We have been doing some VCE work with the QFD bushfire preparedness day at the Cultural Centre.

Turned out to be a really good day.

Having a few call outs and keeping up with training this brigade has been really quite busy.

At this stage permits are still being issued 2x2x2 are permitted without a permit, making sure you call all your permit burns into Fire Com, the number is on the permit and be assured you need to adhere to all the terms of the permit.

Training now Wednesday nights at 6pm and seems to be going well, if you would like to join our team we are in need of Fire Fighters and support members of all kinds.

Meetings are 3rd Sunday of the month at 10 am come for a cuppa and a chat.

Until then stay safe, And remember, in case of an emergency, contact 000.

Mainly Music is a program for babies, toddlers, and preschoolers. We offer weekly sessions that are full of songs, rhymes, actions, and movements designed to engage both the parent and the child. Weekly sessions are interactive 30-minute structured sessions where a passionate volunteer team brings out the best in the children and help them to gain the skills in readiness for school. Not only will your little one(s) be delighted by the one-to-one attention you give, but you'll love the way they respond and develop. You'll be creating memories together. There is also a lovely morning tea for the families after the session. We ask for a donation of \$5 per family per session but if a family can't afford it, they are still very welcome to join. If this excites you, please come and join us!

Millmerran Community Foundation

Supporting Millmerran's people and places

Recently, Millmerran Community Foundation members were invited by TRC Planning & Development Group to meet with their managers and Millmerran Commerce and Progress Inc Executives, to discuss how we might all work together to formulate a process to negotiate Community Benefit Agreements with Renewable Energy proponents in our area.

Under the new State Legislation, Renewable Energy proponents must consult with the community, conduct a Social Impact Assessment and enter into a legally binding Community Benefit Agreement with local government.

Over the past month, two very informative meetings have been held, with a lot of information shared by TRC representatives.

We look forward to continuing this journey of contributing to the blueprint on how these Community Benefit Agreements will be managed.

Matthew 6:12

And forgive us our debts,
As we forgive our debtors.

PRAYER - Is there an order? (3)

The gravity of this simple and so often repeated statement is incredible. Imagine the amount of times people have said these words expecting God to forgive them? And even feeling forgiven after repeating them... yet never really comprehending the latter part of this verse? We love to be forgiven! We love God's forgiveness! Where would we be without the amazing for-

giveness of God? But the fact is, that as a disciple of Christ, forgiveness from God is hinged on that one little word, "as". The word "as" in the middle of this sentence means that the first half of this verse is conditional to the last half. This means that the forgiveness we want and need from God is based on how willing, ready and active we are at forgiving others. Jesus says in this prayer, as He teaches His disciples to pray, that as we forgive those who have a debt to us, God will forgive us accordingly. Do we see how important that it is to forgive?

Most likely though, we forget far more than we forgive. When was the last time we forgave someone who cut us off in traffic, or didn't merge properly. We may have reacted somewhere between trying to verbally give them life lessons from our seat, to shaking our head, glaring at them, or even labelling them from under our breath. And then we continue with our drive and never give that person another thought. Did we forgive them for offending us? Did we forgive them of the debt they owe us for the offence & disruption they caused to our day? Of course not. We just forgot about them... until the next person that does it, and they receive maybe a more vehement version of what the previous offender received, depending on the time between offences. Then at some point we ask God to forgive us, as we have forgiven others! How long have we held a grudge against "that person"? How long has it been since we spoke to "so and so" because of that "thing" they did, or said? But then we can so openly say "Lord "forgive us our debts, as we forgive our debtors."? Suddenly there seems to be a lot of onus on us to forgive, if we truly desire the full forgiveness of God. Praise God for His mercy!

It is a problem we can have. Paul taught this same principle to the church at Ephesus, and to the church at Colossae on two separate occasions. "And be ye kind one to another, tenderhearted, forgiving one another, even

as God for Christ's sake hath forgiven you." (Eph 4:32). "Forbearing one another, and forgiving one another, if any man have a quarrel against any: even as Christ forgave you, so also do ye." (Col 3:13). He was teaching believers to follow the example of Christ & forgive others. What did Jesus say when He was being nailed to the cross, to pay the penalty of our sin? "Father, forgive them...". Amazing. We do God a great disservice when we don't forgive, so it is no wonder Jesus teaches us to ensure our prayer contains not only the importance of needing forgiveness, asking God for forgiveness, but also to reflect on just how forgiving we are. I don't condone much media, however I happened to watch "Spotlight" a few weeks ago called "Face to Face with my children's killer". A true testament to the power of forgiveness, & how much it releases one of the bondage of hate & bitterness. Jesus also taught on forgiveness with a parable. **Matt 18:21-35.**

Living a Balanced Life!

Life is busy! We live in busy, often stressful, times. Some might even say even chaotic times. Many aren't getting enough rest and are overwhelmed by busyness of their lives. Sadly, it seems we're wearing ourselves out. That's not God's plan or will for our lives.

Is it possible to find a balance so we're not stressed and tired all the time? I think it is. Here are four tips, both spiritual and practical, that I believe will help us live a more balanced life.

Tip 1; stay full. Have a look at Proverbs 18:14. It reminds us, *The strong spirit of a man sustains him in bodily pain or trouble, but a weak and broken spirit who can raise up or bear?* It's telling us that when our spirit is strong, it will sustain us no matter what comes in life.

We aren't simply a mind and a body. We are a spirit person who is housed in our body and who has soul comprised of our mind, our will and our emotions. We're good at feeding our bodies. Most of us would never miss a meal and the snacks...well! We're pretty good, too, at feeding our minds although much of what we feed it isn't a good diet.

We can't ignore our spiritual life and expect to remain strong. Just as our bodies need regular care and attention, our spiritual lives need to be maintained in order to remain healthy.

How do we keep our spirit strong? We read in Proverbs 18:14 *that a strong spirit will sustain us*. It means we need a diet of what God says in His Word, the Bible, particularly what He says to us in the New Testament. It's important to stay filled with the Word of God because it is what brings balance to our lives. Begin to read and meditate on scripture, the things God says in His Word.

Don't wait for trouble to come or for problems to confront you to start reading your Bible and meditating on what you read there. Read it every day. Read it until its promises become more real to you than anything else happening to you or around you. Because the troubles you encounter are subject to change whereas God's words are eternal.

Only you can feed your spirit on God's Word and keep it strong. Matthew 6:33 reminds us that when we seek God first, everything we need will be added to us. That requires us to stay full of the Word every day. Perhaps develop a Bible reading habit and you'll soon find that you are spiritually strong and are positioned for a balanced life.

Tip 2: make sure you are getting enough rest. Getting enough sleep can make all the difference in our life. Psalm 127:2 reminds us, *It is vain for you to rise up early, to sit up late, to eat the bread of sorrows: for so he gives his beloved sleep*. In the Gospels we

often see Jesus resting, separating Himself from the crowd to refill and replenish His strength.

He knew it was important. Life can quickly get out of balance if we don't get enough sleep. Tired people often focus on problems, rested people lean toward answers and solutions.

You might think you don't have time to sleep, but if you don't learn to balance this, you'll spend the time later by being sick or making wrong choices. Learn to balance rest times now or pay later.

Tip 3: *get your flesh in line*. In other words, don't allow your flesh to do anything it wants to. If left unchecked, it'll want to eat anything it wants any time it wants, watch screens into early hours of the day, spending whatever it wants when it wants to and saying whatever it wants to. The Apostle Paul says in 1 Corinthians 9:27, *I discipline my body like an athlete, training it to do what it should. Otherwise, I fear that after preaching to others I myself might be disqualified*.

These are things under our control, not God's. When you discipline your flesh, it helps bring balance to your life. When we give the flesh an inch, it'll want to take a mile.

Tip 4: *lighten your load*. Too many of us are overloaded with worry and anxiety and it throws our lives out of balance. This can be such an issue in our lives that 1 Peter 5:7 reminds us *to cast our cares on the Lord, because He cares for us*. Cast your cares on God and let Him take care of them.

Do you now that God cares about our whole health...mind, body and spirit? How easy is it for us to get so busy that we're no longer in touch with ourselves, what we believe, how we feel or what we need. Instead, we just keep moving through life like robots.

So many are desperately seeking peace in a pill, a bottle, an exotic location, a new relationship or even a new career. But there isn't any peace without the Prince of Peace who said in John 14:27 *My peace I give to you, not as the world gives it do I give to you*. Notice Jesus gives us peace. We don't have to earn it, work for it or even deserve it...He gives it freely to us. Talk with Him today.

The strong spirit of a man can sustains him in bodily pain or trouble, but a weak and broken spirit who can raise up or bear?
Proverbs 18:14

Having the freedom to choose is a wonderful liberty that we enjoy here in Australia. We can decide where we want to live, what type of car we drive, who we want to live with, where we educate our children etc. Of course there are limitations depending on each individual's circumstances.

However in essence we are FREE!

Can you imagine then, what it would be like to be put in a large furnished room with no doors or windows so we could escape? Is that freedom?

No of course not.

This is exactly why God, out of love, placed the Tree of Knowledge of Good and Evil in the Garden of Eden. This allowed for Adam and Eve to 'opt out' of their beautiful garden home if they wanted to. No one was forcing them to stay. It is this freedom of choice that God continues to grant each of us today. God does want us to choose to do the good and right thing, so that one day He can be reunited with humanity again.

King David said... 'Out of my distress I called on the Lord; the Lord answered me and set me free.'
(Psalm 118:5)

And John stated ... 'So if the Son sets you free, you are free indeed' (John 8:36)

Wind from Elsewhere Ministry

If we want to understand that we are living in the End-Times, we've got to go back to the beginning- to the Book of Genesis 6, when the Nephilim (the fallen angels) found that the daughters of man were beautiful, and they took them as wives. This event started a genetic corruption of the human kind, - a hybrid race, a race of giants born from human women and heavenly beings. Not what God had intended us to be. We were after all created in His own image! One good reason why God brought forth the flood -to wipe out all corruption.

BUT Jesus warns us that before His return, it shall be like in the Days of Noah (Matt. 24:37-39)...lovers of money and of self, apostacy, violence, eating and drinking... Doesn't it sound like the world today?! But there is more, adding and changing our DNA through medical manipulations; and Ai to replace our human intelligence, merging man with machine.

The Bible tells us also, that there shall be a mark which shall change our abilities to buy and sell, and warns us not to take it; as it is not just a financial system, but a spiritual transformation. We have to realize that Satan's agenda is the same as it was in Genesis, corrupting humanity once again in making the mark very appealing, -as the apple to Eve. Big deception!!! Satan knows the Bible better than some of us and he knows his time is short. Think! How can you belong to God if you are not human? So, turn your eyes on Jesus, keep His Word in your mouth and in your heart and let Him embrace you in His wonderful love.

Another large gathering came together at the last MCPI General Meeting on Wednesday 17 September at the Millmerran Tennis Clubhouse. This meeting included guests from Toowoomba Regional Council (the CEO, General Manager Planning/Development and Economic Development Manager), State Government Development Officer, and representatives from Cattle Creek Wind Farm, Captain Mt Wind Farm, Punch's Creek Solar Farm, Bulli Creek Solar Farm and Inland Rail. We were fortunate to have such a strong group of representatives come together to provide updates and share relevant information with our attendees. Bringing all these voices into one room was no small achievement, and the proponents openly responded to questions from the floor.

MCPI has been working closely with the TRC Economic Development Team to navigate the new legislation introduced by the Queensland Government on 18 July, 2025 around Community Benefit Agreements. While there is a great deal of detail to work through, we are fortunate to have TRC partnering with our community to ensure the needs of Millmerran are well supported.

Throughout the month of September, there have been several information sessions regarding renewable projects in our area. These included a drop in session at the Millmerran Campdraft by Jib Creek Wind Farm, information evening at Carellan Place by the Bulli Creek Solar Farm and a focus group session at the Cecil Plains Golf Club regarding the Cattle Creek Wind Farm. If Millmerran and Cecil Plains residents are seeking information and clarification on these projects, these sessions will continue to take place and MCPI will do our best to keep our community informed.
