

LIBRARY EXHIBITION FROM 2 APRIL

RYAN POTTER ART AND CONTEMPORARY JEWELLERY

Previously I was working as a jeweller in Tasmania.

Specialising in casting molten silver and gold into cuttlefish bone and delft clay. Creating one off textures and unique sculpture pieces. My artwork is mixed media, oil and acrylics etc. Though I also enjoy digital media that I get printed onto canvas. It's fun, quirky and childishly abstract.

A stunning exhibition not to be missed, open every Tue, Thu & Fri at the Millmerran Library.
