May 2023 Newsletter Update.

Welcome to the Millmerran Newsletter, May edition. Thank you to Roselle Crellin and Julie Crang for once again expertly publishing another full newsletter that truly is a great resource for our community each month.

Have you seen the flags hanging from the Millmerran Community Support Centre? We have recently purchased Easter and Anzac Day flags which add some extra atmosphere to Campbell Street. Speaking of which, our main street is looking particularly spectacular with beautiful hibiscus flowers blooming from the 21 TRC pots plus all the extra baskets of colour along with the lovely chrysanthemums planted for Mother's Day. Thank you to the volunteers who keep these pots colourful and well loved.

It is great to see the streets of Millmerran being resealed with new bitumen and the Gore Highway roadworks continuing. The delays are going to take some getting use to again however the removal of the cracks and potholes in the road will be welcome.

During the month of April MCPI representatives attended a Community Network Forum for the Millmerran Sports Centre as well as the Millmerran Multipurpose Health Service Community Forum. The Sports Centre discussed overcoming barriers of inclusion and ways of keeping the community involved in activities undertaken at the centre. The hospital representatives gave us a detailed presentation on what the new facility will look like with a timeframe to begin construction in 2024. We have asked Darling Downs Health to supply MCPI with regular updates to keep our community informed of progress.

On Tuesday 18 April, I attended a TRC Councillor deputation with Chamber of Commerce representatives from Toowoomba, Pittsworth, Highfields and Crows Nest. We were able to bring forth two topics of concern from our area and I spoke of the overland flooding issue as well as the increase in library hours to five days per week. These topics have been raised with them before and we hope by mentioning them again, it will show our level of concern.

The next MCPI meeting will be Wednesday 17 May 2023 at the Catholic Church Hall, William Street, Millmerran – 5.30pm for a 5.45pm start.

Our priorities

Millmerran State School

Educational Achievement

Wellbeing and Engagement

Culture and Inclusion

We use evidence based strategies to focus on our 2025 targets, prioritising educational achievement in English and mathematics from Prep to year 10.

We use a whole school Positive Behaviour for Learning (PBL) framework to teach students expected behaviours. Our PBL framework acknowledges students for meeting expectations.

Our use of PBL strategies improves student/staff relationships building a culture of high care and high expectations. We firmly believe effective teachers care about their students, while expecting them to do well.

"It is teachers who have created positive teacher student relationships that are more likely to have above average effects on student achievement."

~ John Hattie

Little Tackers Childcare Centre Millmerran

From 10 July 2023, there are changes to the way Child Care Subsidy (CCS) entitlement is worked out. Your Childcare will be cheaper for most families.

What you need to know

The maximum amount of CCS is increasing from 85% to 90% for families earning up to \$80,000.

The income limit for CCS is increasing to \$530,000.

If you earn over \$80,000, your CCS percentage will go down by 1% for each \$5,000 of income your family earns.

You'll either get more subsidy or have no change to your entitlement. The CCS percentage you're entitled to depends on your family's income. For more information about CCS, go to servicesaustralia.gov.au/changes-if-you-get-family-payments.

Families with more than one child aged 5 or under from 10 July 2023, if you have more than one child aged 5 or under you can still get a higher rate for one or more of your children. If you get Additional Child Care Subsidy (ACCS) your rates will stay the same.

What you need to do from January to June 2023

In most cases, you don't need to do anything to get the increased rate. If you get CCS, changes to your CCS will change automatically from 10 July 2023.

Updating your family income estimate

The amount of CCS you get is calculated using your family income estimate. It's important to make sure that you check your income estimate regularly and update it if your circumstances change. If you get CCS or if you're already assessed for CCS but get 0%, you may be eligible for an increased rate. Check your family income estimate is up to date so you get the right amount from 10 July 2023.

You can check or update your income estimate at any time using -
your Centrelink online account through my.gov.au or you're your myGov app

[If you have any questions, please call the Centre.](#)

Millmerran Men's Shed

All of us at the Men's Shed would like to offer our sincere condolences to the families of Gary Schultz and Kev Schultz. Gary was one of the founding members of our shed and was President from 2019,-2022. Kev has attended for a few years also. Both will be missed. RIP.

We are regularly called upon for assistance and whenever possible we are happy to help out. We helped set up for the Scone day held in Domville Place. Supporting local activities is so important in our community.

We are also pleased to help out locals in need if it fits into our skill set. If you need assistance just ask and if we can't help we will certainly offer advice.

But first and foremost, our mission is to provide a place for men to feel valued and friendship with likeminded members. If you would like to know more of our organisation or just want to see our shed facility, feel welcome to pop in Tuesday and Friday mornings or phone one of our contacts.

Well we have had a touch of the Winter
chills recently, also some beautiful rain.
Rita opened the meeting and our Secretary
Ann read the minutes of the last meeting.

A short but animated meeting followed.
Further to discussion on doing a small
trip in the near future, details to be
organised by Raelene.

Our Easter fund raiser was very successful
and the winner was first Richard Diamond
and Second Prize went to Beryl Funk. Hope
they enjoyed their prizes and we thank
each and everyone who purchased tickets,
this helps us to do a few trips here and
there. I would also like to thank our
ladies for selling the tickets down town.
Our raffle this meeting was won by Lois
Lindenmayer, hope you are feeling healthy
now after that lovely fruit tray, looked
Yummy.

Come along and join us for some cards,
brain teasers, puzzles or just to enjoy a
cuppa and chat.

See you then, and remember we would love
to welcome any new people to town to come
and meet and greet some of our older
generation and participate in some
congenial fun.

See you at the Cultural Centre at 1:00pm

Mayor's Report

The month of April just gone is a special month of our year as we see the change in weather and the deciduous trees begin to see the leaves fall. My Toowoomba home is in a street with lots of deciduous trees and the four seasons are most noticeable.

This time of year to me is a time of remembrance. We've just seen ANZAC commemoration services across our region and it is a time to be thankful for the freedoms we share in this great country. My recent travel with the Southeast Queensland Council of Mayors group to the United States and Canada, as well as New Zealand, has certainly reinforced that in my mind.

We do owe so much to those who fought in all wars but in my mind is the Pacific War which was a critical part of the Second World War for our nation. Had Australian troops not succeeded with the help of our Allies the world would be a very different place.

Anzac Day to me represents a day to remember all those people who gave so much. Many of them faced very difficult situations and so many lives were lost and so many families impacted. They left us an amazing legacy and let's be thankful. I certainly recall some amazing neighbours my family had. They came soon after the war ended and bought land, worked hard, expanded their holdings, had families and played a positive role in our community.

It's also a time when we should remember all those who served and in my mind I can't help think of the Vietnam War and the period when many young men were conscripted. It was interesting because I was a student at what is now UQ Gatton and we would regularly talk about the efforts to preserve the freedoms we have. Many young men of my age group were conscripted and after twelve months of preparation were sent to Vietnam for 12 months and were then discharged with very limited support. The impact on many of those people was horrific and a big percentage were changed forever. A number of my college friends who were conscripted were badly impacted. I hope on ANZAC Day we always remember the sacrifices made that preserved the wonderful freedoms we have in this amazing country.

Each month we have Citizenship ceremonies and for me personally they are a wonderful experience. Some of the stories are truly amazing with people, particularly from the Middle East, having gone through terrible trauma. The suppression of females in some of these cultures is horrific. Many of these people, particularly the young ladies have opportunities they would never have experienced in the place of their birth. The school captain this year at Toowoomba State High is a young man of the Yazidi cohort from the Middle East who has been here six years in which time he's learned our

language and worked hard in all areas to get to where he is. Every Australian family has a story of how they started and, while it's not possible, I often think how good it would be to be able to have a conversation with the original members of our families as to why they did what they did. Australia has always been a land of opportunity for new arrivals and it's no different in this era.

There is still a lot of work going into the 2032 Olympic Games and the possibilities for our region. Toowoomba Regional Council continues to advocate for a Centre of Excellence for Equestrian at the Toowoomba Show Grounds. Further to this, it recently occurred to me that there is only one serious Animal Quarantine Centre in Australia at Tullamarine in Melbourne and as such we should look at having one at the Wellcamp Airport. I took the subject up with the Premier when she was in my office and also the operators of Wellcamp and it appears that all parties are working together to make it happen. No doubt Federal Government agencies will play a major part in the delivery. The 2032 Olympic model is all about leaving legacies and this certainly fits those criteria.

It's been a busy month with initially a gathering of Statewide Regional Organisations of Councils (ROC's) in Toowoomba for their annual conference. Roc's are a strong advocacy tool for councils and both levels of government would prefer to meet ROC's than individual councils.

Toowoomba had a visit from both State and Federal politicians during the month who were invited to talk about the needs of our region and the funding of projects and the general lack of external funding in the broader Local Government context.

Interestingly a Highfields-based drone company called Swoop has been established to deliver products, particularly medicinal products to the more remote regional areas in the TRC when they are required urgently. No doubt you'll hear more of that in the months ahead.

The announcement regarding a new modern hospital for Millmerran is great news.

It's so good to see the rain come back after a dry period and let's enjoy the beautiful green grass and the lovely Autumn change. It's a special time of the year.

Till next month,

Cr Paul Antonio
MAYOR, Toowoomba Regional Council

Forest Pines Rural Fire Brigade

Lot 5 Rosella Ave The Pines

Hope you all had a safe and happy Easter. We've had a few call outs this month and as time goes on things are drying out fast. The rain is dampening things down enough to be able to issue permits again, after the rain we had and the storm recently we now have more fuel on the ground and are really concerned as the weather heats up. Making sure that gutters are free of leaves and boundaries are clear of debris is a great start to being safe.

If you would like a permit contact Craig or Myself, if you would like to burn your property off please contact Craig or Myself this is a free service. 2x2x2 are permitted without permit, keep watch Until then stay safe

Yallambee McLean Care Lifestyle

Managers Message:

Welcome to autumn everyone, chilly mornings / nights with lovely warm weather during the day.

Well Easter has come and gone for another year and the Easter Bunny is having a well-earned rest.

Peter has been busy making sure that all the residents had a wonderful Easter and that they enjoy entertaining activities throughout the week. Bus trips are back on the activity calendar and Peter has booked two for later this month.

Painting of the walls inside Yallambee will commence this month and new flooring is booked to be installed in the dining room and lounge room next month.

Only a few small touch ups required in K-Lodge before we will be able to open to residents again – everyone is looking forward to the opening day.

From our lifestyle team.

Exciting times ahead with the ok to start bus outings Again, our residents are excited.

We will be looking at taking the residents to the Millmerran Museum, Road trips to Cecical Plains, Leyburn and Towoomba. This year we are pleased to be participating in the 2023 ANZAC march in Millmerran on ANZAC DAY. We have a number of residents who have indicated they would like to take part in the march.

Picture of ANZAC DAY 2022
In home service

We will be holding a pre-ANZAC DAY for our residents on Monday 24th at 10am

I had the pleasure of attending both the Annual Boutique Meeting and the monthly Auxiliary Meeting last week. Thank you to everyone for making me feel welcome and the insightful conversation.

I am pleased to announce Yallambee is purchasing bread from the local bakery again and will soon commence buying fruit and vegetables locally.

I believe it is important for Yallambee to contribute to the local economy by buying local if we can and I will continue to work hard on other areas as well.

Please remember to get your flu shots as it is going to be a bad flu season.

Bye until next month.

Thanks Jane

Peter enjoys getting in and having a go, Peter helps us put together a new exercise bike and with his previous experience I know I have the right man for the job

LYNDALL CHANDLER

HEAVEN IS REAL

There are two things that are certain for every human on the face of the earth. The first is birth. We can't live here on earth unless we are born here. And as certainly as there is an entrance into this world, there is also an exit...for every single human being.

As Hebrews 9:27 reminds us, *And as it is appointed for men to die once...* So as surely as you were born and are alive, there is going to be an exit. And that can seem daunting for some.

But death is nothing to fear for the child of God because Jesus said, *I am the resurrection and the life* (John 11:25). If we die before Jesus comes, we simply slip out of our bodies...just like a hand slips out of a glove. And with Jesus' hand in ours we simply step into heaven. Those who know God will never taste of death.

In 1 Thessalonians 4:13 Paul is encouraging believers when He said, *And now, dear brothers and sisters, we want you to know what will happen to the believers who have died so you will not grieve like people who have no hope.* Now that doesn't mean we don't miss the person or that there aren't going to be tears.

This hope we have is not wishful thinking, *Well, I hope so...!* It's not a desperate attempt to cover the torments of life. This hope of the Christian life is a confident expectation and assurance of the future...of heaven.

Heaven is not an imaginary place to escape earth's problems. It is a real place. All the streets, gates, thrones and houses are real. It is not a place we have to work to get to. We get there by believing on the Lord Jesus Christ because heaven is a gift. It's a place where all sorrow and tears will be wiped away.

We know the moment a believer dies; they instantly move from earth to heaven for *to be absent from the body and present with the Lord* (2 Corinthians 5:8). The physical body dies and is buried but the spirit of a person lives forever. If you have accepted Jesus as your Saviour, you will live forever with God. One moment you are alive on earth and the next you are in heaven with Jesus.

Heaven is real...so is hell. The life we live here on earth the Bible tells us is like a vapour...so short compared to the life that is after death. That life is forever. Have you given any serious thought as to where you will spend eternity...heaven or hell? Your eternal destination has nothing to do with how good or bad you are or have been, but it has everything in the world to do with how good God is and whether or not you have received what He did for you in Jesus.

You might ask, why would a loving God send people to hell? He doesn't. He has made heaven available to every single person but He has left the choice with us.

Jesus came so each of us can have the opportunity to enjoy heaven and miss hell. John 3:16-17, a scripture that most can recite, clearly defines why Jesus came, *For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life.* ¹⁷*For God did not send His Son into the world to condemn the world, but that the world through Him might be saved.* Jesus came to give abundant life, but many refuse the gift.

God is not your enemy. He loves you and wants you to enjoy the abundant He has provided for you through Jesus. He gave His own son so that you could choose to have abundant life and God's love and goodness. So how do we receive that abundant everlasting life? Romans 10:9 *If you openly declare that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved.*

Is it time to re-evaluate your life? Is it time for you to know God for yourself? From my heart to yours, I encourage you to.

For here is the way God loved the world-He gave His only, unique Son as a gift. So now everyone who believes in Him will never perish but experience everlasting life (John 3:16 TPT).

JESUS AND THE PARABLE OF THE BUILDERS

(Read Matthew 7:24-27)

It is always sad to hear the terrible news about people who lose their belongings in flood waters. Today's parable is about a flood that washed away an entire house! One day Jesus spoke about 2 builders who built houses on different types of foundation. A foundation is what something rests on, once it has been built. For a house to stand strong and firm in a storm or flood waters, it needs to be built on a strong foundation. These two builders built their own houses, and while one decided to build on rock, the other decided to build his house on sand. The house built upon the sand would have been easier to build, as the foundation was soft to dig into, but the man who chose the rock to build on would have had to work a lot harder. One day a storm came, and the flood water rose high. The house built on the sand was washed away, just like our sand castles do at the beach when the waves reach it. The man who built his house on the rock was safe though, as it was built on a strong foundation. It was safe through the storm, when the wind blew, and the floods pushed against it.

Jesus was teaching his followers, and us as well, that our lives need to be built upon Him. Jesus is the strong foundation for our lives, but we need to choose to build our life upon Him. Jesus had just finished a long talk to all the people that were listening to Him, and He had taught them many things about how to live life the best way, which is the way that pleases God. At the very end of his talk, He gave them this parable, and said that those who listened to all the things He said, and did them in life, were just like the wise man who built his house upon the rock. The wise man made the right choice, He had put in the effort and was safe when life got hard. The foolish man took the easy way, and he is like someone who may hear Jesus but does not live how Jesus instructs us to. When life gets hard, he won't have the wisdom to get through life safely, and will struggle, and lose many things that are important to him. So, the lesson for us is, that we must be like the wise man and build our life on the things that Jesus teaches us to do, from the Bible. That is the only way we will get through life safely when the storms of life come, and the water gets deep. A life built upon Jesus will last to the end.

Psalm 23(continued)

Sheep prefer to drink from still water. They don't like rushing streams, rapids, or turbulent waterfalls. It is a gentle flowing stream, or a pond that they'll go to if they have the choice. The shepherd knows this, and it is this medium of water, to which God will lead His sheep to. He knows the needs of His sheep, and knows how to bring the peaceful things into their life that will keep them in that state of peace. When a sheep is patient, and continues to follow its shepherd closely, it will be rewarded with the peaceful still water, it prefers. This is water that is clean, pure, available and will sustain the sheep, at the right time. However, when a sheep gets impatient, or doesn't want to follow the shepherd; when it wanders off, or strays, thinking it knows best, it will drink from the first muddy puddle it finds. Maybe a puddle that has the filth of the other sheep in it. Possibly that puddle holds the bacteria and disease that will make that sheep ill, and weak. The shepherd did not lead the sheep to that muddy puddle. It was still water, but not the clear, clean water that the shepherd had in store.

Herein lies the lesson for us. We are the sheep, and God is the shepherd. God will lead the way, but we have to commit to following faithfully. If we follow Him closely, obeying the sound of His voice, and stepping where He steps, we will be rewarded with exactly what is good for us. We will find the spiritual contentment and peace pictured by the green pastures, and the cool clean waters that we would much prefer to enjoy. But then, there are the sheep that maybe don't have a relationship with the Shepherd. Maybe a sheep that knows who the Shepherd is, but doesn't want to follow Him closely. One that would rather walk a path that he thinks is best, and being distracted by the world, and what it has to offer, he'd rather enjoy the pleasures of a life of "freedom". Beware, the thirst will still come! There is a spiritual hunger and thirst in everyone of us that can only be satisfied, and sufficed by the shepherd. God is trying to lead us, and make us to lie down in the green pastures, and beside the still waters. But, when we are not near Him; when we have strayed from Him, that hunger and thirst will be fed by the filthy puddles of the world, and the unsatisfactory food that society says is good, but it will never satisfy our needs. We will get ill. The sickness that lust, and wickedness, and carnal knowledge gives, will weaken us against the spiritual attacks of the devil, and we will fall into his tricks. As we try to satisfy our spiritual hunger with the wrong food that has no substance, our hunger will increase, and we will swallow more and more of the unhealthy varieties of distasteful filth that we have chosen to indulge in. All we had to do was follow. All we had to do was obey, and stay close to the shepherd. What went wrong? Why has life become meaningless? Why has life become such a mess? It is because we were too stubborn to give up our will over to the will of the shepherd, and walk in His steps. If we have faith in the shepherd that never leads us astray, that always tells the truth, and that will never let us down, we can be assured of finding peace and contentment. We can be led to a life where our spirit can be filled, because we are feasting in the spiritual pastures from where He says to feast from and because we are drinking from the spiritual waters from where He says to drink from. We can then lay down amid the troubles that come because we have faith that God, the Shepherd, has got this. Praise God that He is a shepherd that is willing to lead us, love us, and limit us from that which is not good for our spiritual life. Do you have a life with the Shepherd? Is He leading, or are you? "And when he (Jesus) putteth forth his own sheep, he goeth before them, and the sheep follow him; for they know his voice." Who has ever been the subject of a scam, losing money or face? It's not pleasant when you are lied to is it? Whether it is online, by phone or in person, the sincerity of the perpetrator targets our nature to want to gain from the transaction. With counterfeiting taking place all around us every day, we have to be extremely vigilant that we don't become the next victim. Even in the realm of spirituality, Satan is in the business of deceiving as many as possible. He uses many techniques to convince people that the Bible is no longer the Word of God, and that it is open to vague and erroneous theories.

Do you think you know it all and can't be fooled? Matthew warns us in Matt 24:24 that even the elect may be deceived. How do we avoid this trap? Study the Bible carefully and obey God rather than men! (Acts 5:29) Blessings to all on your journey of faith.

"Everybody needs somebody to lean on", says the song. But you say: "I don't need anyone to lean on. I've been standing on my own two feet all my life and I definitely don't need a crutch now." It might appear so in your own eyes, but can one live without God? Though your thoughts might not be on Him, you are nevertheless dependent on Him.

Think! Who provides us with the air we breathe? Who repairs our physical body during our sleeping hours? Who designed our body which is our vehicle in which we travel here on earth? Amazing how we take everything for granted! But think again! Who gave us seeds to grow, insects and the wind to pollinate, the sun to shine and the rain to fall? You and I can only exist by the Grace of God, for without Him, we are nothing. And if He was to withdraw His love and care from us, we would vanish into thin air. So really, no one can ever live without God. He is the instigator of everything. He is and always has been interested in our lives. He is not a remote God who lives in a faraway heaven, as people think. No! He is always so near to us ALL.

Jesus tells us that He is our Heavenly Father. We are All His children, though many have strayed away. "Come back to God", for He knows what you need before you even ask; so close and intimate is His care and love for us. Aren't we more worthy to Him than the flowers of the field or the birds of the air?

We need real Grace. We need to be transformed. We need Jesus.
